

REMINGTON MODEL 700 W/SAFETY - THE HIT (8oz - 2lb) - REMINGTON 700, RIGHT HAND, BLACK, STRAIGHT **8oz**

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Thanks to the growing popularity of long-range shooting, Timney Triggers customers have been clamoring for a purpose-built long range trigger that's perfect for precision Remington 700 actions and clones. With the Timney Hit trigger, company engineers condensed all of these features demanded by Timney customers into one perfect trigger designed to aid long-range shooters in ringing steel. The Timney Hit trigger rises above other Model 700 triggers in the company's lineup, thanks to an all-new geometry that's easy to use and adjustable from 8 ounces to 2 pounds. Each component inside the Hit trigger is machined. There are no MIM parts inside the trigger, nor are there any stamped components. Every piece is a solid chunk of metal that's designed to last and provide premium performance. The Timney Hit trigger is available with either straight or curved trigger shoes, and the triggers can be had in black or nickel finishes.

Safety Instruction Guide for REMINGTON MODEL 700 W/SAFETY THE HIT

Introduction

Thank you for choosing the REMINGTON MODEL 700 W/SAFETY THE HIT trigger. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before use to maximize safety and performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the trigger and firearm out of the reach of children and unauthorized users.
- Always follow local laws and regulations regarding firearms and accessories.
- Inspect the trigger regularly for signs of wear or damage.
- Do not attempt to modify or disassemble the trigger beyond the manufacturer's recommendations.

Specific Safety Precautions for Use

- Always ensure the firearm is pointed in a safe direction when handling.
- Use the trigger only with compatible Remington 700 actions and clones.
- Do not exceed the recommended weight range of 8 ounces to 2 pounds during adjustments.
- Be aware of the potential for accidental discharge if the trigger is improperly adjusted.
- Always wear appropriate eye and ear protection when using the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to the manufacturer's instructions.
- Install the Timney Hit trigger by following these steps:
 - Align the trigger with the mounting points on the firearm.
 - Securely fasten the trigger using the provided screws.
 - Ensure that the trigger is properly seated and functions correctly before use.

2. Adjustment:

- To adjust the trigger weight, follow these steps:
 - Locate the adjustment screw on the trigger.
 - Use an appropriate tool to turn the screw clockwise to increase weight or counterclockwise to decrease weight.
 - Test the trigger pull weight after each adjustment to ensure it is within the desired range.

3. Usage:

- Before firing, ensure that all safety mechanisms are engaged.
- Practice using the trigger in a controlled environment to become familiar with its operation.
- Always verify that the firearm is in safe working condition before use.

Disposal Instructions

- Dispose of the trigger and any components in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please consult the manufacturer's website or contact their customer support team.

By following these safety instructions, you can ensure a safe and enjoyable experience with your REMINGTON MODEL 700 W/SAFETY THE HIT trigger. Thank you for your attention to safety.
