

REMINGTON MODEL 700 W/SAFETY - THE HIT (8oz - 2lb) - REMINGTON 700, LEFT HAND, NICKEL PLATED **8oz**

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Thanks to the growing popularity of long-range shooting, Timney Triggers customers have been clamoring for a purpose-built long range trigger that's perfect for precision Remington 700 actions and clones. With the Timney Hit trigger, company engineers condensed all of these features demanded by Timney customers into one perfect trigger designed to aid long-range shooters in ringing steel. The Timney Hit trigger rises above other Model 700 triggers in the company's lineup, thanks to an all-new geometry that's easy to use and adjustable from 8 ounces to 2 pounds. Each component inside the Hit trigger is machined. There are no MIM parts inside the trigger, nor are there any stamped components. Every piece is a solid chunk of metal that's designed to last and provide premium performance. The Timney Hit trigger is available with either straight or curved trigger shoes, and the triggers can be had in black or nickel finishes.

REMINGTON MODEL 700 W/SAFETY THE HIT

Safety Instruction Guide

Introduction

Thank you for choosing the REMINGTON MODEL 700 W/SAFETY THE HIT trigger. This guide provides important safety information, usage instructions, and disposal guidelines to ensure safe and effective use of your trigger. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Ensure that the trigger is installed correctly according to the manufacturer's instructions to avoid accidental discharges.
- Always treat every firearm as if it is loaded, even if you believe it is not.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition separately and securely to prevent unauthorized access, especially by children.
- Regularly inspect your trigger for any signs of wear or damage.
- If you experience any malfunction or issue with the trigger, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- The REMINGTON 700 trigger is designed for use with Remington 700 actions and clones. Do not attempt to use it with incompatible firearms.
- Adjust the trigger pull weight only if you are familiar with trigger adjustments. If unsure, seek assistance from a qualified professional.
- Use appropriate eye and ear protection when handling or shooting firearms.
- Ensure that your shooting environment is safe and free from obstructions or bystanders.
- Do not exceed the recommended adjustment range of 8 ounces to 2 pounds for trigger pull weight.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger from the firearm according to the manufacturer's instructions.
- Install the Timney Hit trigger by following the provided installation guide. Ensure all screws are tightened securely.
- Perform a function check to ensure the trigger operates correctly before use.

2. Usage:

- Familiarize yourself with the trigger's operation before shooting.
- Adjust the trigger pull weight as desired within the specified range. Make small adjustments and test the trigger after each change.
- Maintain a proper shooting stance and grip to ensure control when firing.
- Always keep your finger off the trigger until ready to shoot.

Disposal Instructions

- Dispose of the trigger and any associated components in accordance with local regulations.
- Do not dispose of triggers in regular household waste. Check for local recycling programs or hazardous

waste disposal options.

Contact Information for Further Support

For any safety inquiries or support regarding the REMINGTON MODEL 700 W/SAFETY THE HIT trigger, please contact the manufacturer directly. Ensure that you have your product information available for reference.

Conclusion

Your safety is our priority. Following these guidelines will help ensure a safe and enjoyable experience with your REMINGTON MODEL 700 W/SAFETY THE HIT trigger. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for your attention to these important safety instructions.
