Safety Instruction Guide for REMINGTON 700 (2) STAGE TRIGGERS W/SAFETY

Introduction

Thank you for choosing the REMINGTON 700 (2) STAGE TRIGGERS W/SAFETY. This guide provides essential safety information to ensure safe and effective use of your trigger system. Please read this document carefully and follow all instructions to avoid potential hazards.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the trigger system is installed correctly before use.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and trigger system securely and out of reach of children.
- Regularly inspect your trigger system for wear or damage.
- Use only compatible firearms with the REMINGTON 700 trigger system.
- Follow all local laws and regulations regarding firearm safety and usage.

Specific Safety Precautions for Use

- **Trigger Weight:** The 1st stage is factoryset to 1 lb / 454 g and is not adjustable. The 2nd stage can be adjusted from 1.5 lb / 681 g to 3 lb / 1,362 g. Ensure you are familiar with the trigger weights before using your firearm.
- **Adjustments:** Only make adjustments to the 2nd stage trigger weight if you are experienced and knowledgeable in firearm trigger systems. Improper adjustments can lead to unsafe conditions.
- **Safety Mechanism:** Always ensure the safety is engaged when the firearm is not in use. Familiarize yourself with the safety mechanism of your firearm.
- **Dry Firing:** Avoid dry firing unless you are certain it is safe to do so. Ensure the firearm is pointed in a safe direction and that the area is clear of obstructions.
- **Cleaning:** Regularly clean your trigger system according to the manufacturer's instructions to ensure optimal performance and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before starting the installation.
- Follow the manufacturer's instructions for installing the REMINGTON 700 trigger system.
- Confirm that all components are secure and properly fitted before use.

2. Usage:

- Always check the functionality of the trigger system before each use.
- Familiarize yourself with the trigger's operation, including the takeup and break point.
- Practice safe handling and operation of your firearm at all times.

Disposal Instructions

- Dispose of any damaged or worn parts in accordance with local regulations.
- Do not dispose of your trigger system in regular household waste. Instead, contact a local hazardous waste disposal facility for guidance.

Contact Information for Further Support

For safety inquiries or concerns regarding your REMINGTON 700 (2) STAGE TRIGGERS W/SAFETY, please reach out to the manufacturer or your local firearms dealer for assistance. Always ensure you have the most up to date information regarding safety and usage.

Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable experience with your REMINGTON 700 (2) STAGE TRIGGERS W/SAFETY. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important guidelines.
