REMINGTON 700 (2) STAGE TRIGGERS W/SAFETY

Safety Instruction Guide

Introduction

Thank you for purchasing the REMINGTON 700 (2) STAGE TRIGGERS W/SAFETY. This guide provides essential safety instructions to ensure proper and safe use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the trigger is suitable for your firearm and that it is installed by a qualified gunsmith.
- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearms and their accessories.

Specific Safety Precautions for Use

- The 1st stage (takeup) is factoryset to 1 lb / 454 g and is not adjustable. Ensure that this setting is appropriate for your use.
- The 2nd stage (break point) is adjustable from 1.5 lb / 681 g up to 3 lb / 1,362 g. Adjust this setting only if you are familiar with trigger adjustments and understand the implications of changing the trigger weight.
- Always ensure that the safety mechanism is engaged when the firearm is not in use.
- Do not modify the trigger or any of its components unless you are a qualified gunsmith.
- Be aware of your surroundings and ensure a clear line of sight and safe backdrop when firing.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before beginning the installation process.
- Remove the existing trigger according to the manufacturer's instructions.
- Install the REMINGTON 700 (2) STAGE TRIGGER following the provided installation instructions carefully.
- Confirm that all components are securely fastened and that the trigger operates smoothly.

2. Usage:

- Before using the firearm, conduct a function check to ensure that the trigger operates correctly.
- Adjust the 2nd stage (break point) to your preferred setting if necessary, following the adjustment instructions carefully.
- Always engage the safety when the firearm is not in use, and ensure it is disengaged only when you are ready to fire.
- After use, clean and maintain the trigger and firearm according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearms and firearm accessories.
- Do not dispose of the trigger in regular household waste.
- If you are unsure about the disposal process, contact your local waste management authority for

guidance.

Contact Information for Further Support

For any inquiries or concerns regarding the REMINGTON 700 (2) STAGE TRIGGERS W/SAFETY, please refer to the manufacturer's contact information provided on the product packaging or documentation.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your REMINGTON 700 (2) STAGE TRIGGERS W/SAFETY. Always prioritize safety and responsibility when handling firearms.
