# REMINGTON 600 Triggers with Safety Safety Instructions

## Introduction

Thank you for choosing the REMINGTON 600 Triggers with Safety. This guide provides essential safety instructions to ensure the safe and effective use of your trigger. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that you are familiar with the basic principles of firearm safety.
- Always treat every firearm as if it is loaded.
- Keep the trigger and firearm away from children and unauthorized users.
- Use the trigger only with compatible firearms, specifically the Brno CZ452 in calibers .22 LR and .17 Mach II.
- Regularly inspect the trigger for signs of wear or damage before use.
- Store the trigger in a secure location when not in use.

## Specific Safety Precautions for Use

- Before adjusting the trigger pull weight, ensure the firearm is unloaded.
- Adjust the pull weight between 2 and 4 lbs only, as specified.
- Do not exceed the recommended pull weight to avoid malfunctions.
- Ensure the safety mechanism is engaged when not in use.
- Use caution when handling the firearm to prevent accidental discharge.
- Always follow the manufacturer's guidelines for installation and usage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger from the firearm according to the manufacturer's instructions.
- Install the REMINGTON 600 Trigger by reversing the removal process.
- Ensure all components are securely fastened and in place.

### 2. Adjusting Pull Weight:

- Use the adjustment screw to set the pull weight between 2 and 4 lbs.
- Test the trigger pull after adjustment to ensure it meets your preference.
- Make small adjustments and retest until the desired pull weight is achieved.

### 3. Safety Checks:

- After installation and adjustment, perform a safety check.
- Engage and disengage the safety mechanism to ensure it functions correctly.
- Test the trigger in a safe environment before regular use.

### 4. Usage:

- Always follow proper firearm handling practices.
- Maintain a firm grip on the firearm and ensure your finger is off the trigger until ready to shoot.

- Be aware of your surroundings and ensure a clear line of sight before firing.

## **Disposal Instructions**

- Dispose of the REMINGTON 600 Trigger and any associated packaging in accordance with local regulations.
- Do not dispose of the trigger in regular household waste if it is damaged or malfunctioning.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the REMINGTON 600 Triggers with Safety, please refer to the manufacturer's contact information provided in the packaging or on the official website.

Please ensure that you keep this safety instruction guide for future reference and share it with anyone who may use the REMINGTON 600 Triggers with Safety. Your safety and the safety of others depend on proper use and adherence to these guidelines.
