

# Lever Action Triggers (Pull weight is not adjustable) - Marlin Lever Action Trigger for Model 336, 1894, and 1895 - 3-3.5lb Pull - Black

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Whether you're a cowboy action competitor, a casual weekend shooter, or a dedicated hunter, one truth remains unchanged: a rifle can only perform as well as its trigger. If greater accuracy is your goal, Timney delivers with a trigger that is innovative, dependable, and consistently precise—enhancing the performance of the platform you choose. Timney's engineers have even eliminated the notorious trigger flop, ensuring the crisp, smooth break shooters expect from a true Timney trigger.

This single-stage trigger features a factory-set, non-adjustable pull weight of 3 to 3.5 pounds and is designed to help you shoot more accurately. It is available in either black or nickel-plated finishes and installs easily with no gunsmith required.

Each trigger is hand-assembled, thoroughly tested, and precisely calibrated, then backed by Timney's legendary lifetime warranty. Proudly made in the USA, it delivers the performance, reliability, and quality that serious shooters demand.

# Safety Instruction Guide for Lever Action Triggers

## Introduction

Thank you for choosing the Timney Lever Action Trigger for your Marlin Model 336, 1894, and 1895 rifles. This guide provides essential safety information to ensure the safe and effective use of your trigger. Please read and understand these instructions before installation and use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always point the firearm in a safe direction.
- Store firearms and ammunition separately and securely.
- Ensure that the trigger is installed correctly before using the firearm.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- This trigger has a nonadjustable pull weight of 3 to 3.5 pounds. Be aware of this pull weight and practice accordingly.
- Do not attempt to modify the trigger or its components. Modifications may compromise safety and performance.
- Ensure that the trigger is compatible with your specific rifle model (Model 336, 1894, or 1895).
- Use only recommended ammunition types as specified by the firearm manufacturer.
- Be cautious when handling the firearm, especially when loading or unloading.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger following the manufacturer's instructions for your rifle model.
- Install the Timney Lever Action Trigger by following these steps:
  - Align the trigger with the mounting points.
  - Secure the trigger in place using the appropriate screws and tools.
  - Doublecheck that the trigger is firmly attached and functions correctly.

### 2. Usage:

- Before shooting, familiarize yourself with the trigger's operation.
- Practice dry firing in a safe environment to understand the trigger's feel and pull weight.
- When ready to shoot, maintain proper firearm handling practices.
- After each use, clean the trigger and firearm according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of any old or unused triggers responsibly. Follow local regulations for hazardous waste disposal.
- Do not discard the trigger in regular household waste. Check for recycling programs or collection points in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the Timney Lever Action Trigger, please consult the product manual or contact the manufacturer directly. It is essential to have an EUbased contact for safety inquiries.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable shooting experience with your Timney Lever Action Trigger. Always prioritize safety and responsible firearm handling. Thank you for choosing Timney.
