

AR-15 TRIGGERS (Pull weight is not adjustable) - AR15 SMALL PIN SKELETONIZED ****4lb****

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Self-contained module is ready to install in your small-pin AR and deliver an exceptionally smooth, crisp, creep-free single-stage trigger pull that feels more like a traditional bolt action than a combat rifle trigger. 100% drop-in—no gunsmithing, fitting, or adjusting required. All components are captive in the lightweight, aluminum alloy housing. Hammer is wire-EDM machined from S7 tool steel that combines hardness to resist wear with superior impact resistance to withstand heavy use without chipping or breaking. Other components are EDM cut from A2 tool steel, then heat treated to Rc 56-60 for long service life. Precision-ground engagement surfaces ensure superb reliability and a crisp, clean hammer release. Installs using your rifle's original hammer/trigger pins; proprietary design eliminates pin walkout.

AR15 TRIGGERS Safety Instruction Guide

Introduction

Thank you for choosing the AR15 Triggers (Pull weight is not adjustable) AR15 Small Pin Skeletonized 4lb. This guide provides essential safety instructions to ensure your safe use of this product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the trigger is installed by a qualified individual or gunsmith if you are not familiar with firearm assembly.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and components for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- This trigger system is designed for use in smallpin AR15 rifles. Do not attempt to install it in any other type of firearm.
- Ensure that the trigger is compatible with your specific AR15 model before installation.
- Do not attempt to modify or adjust the trigger pull weight, as this could lead to malfunction or unsafe operation.
- Avoid using the firearm in adverse conditions (e.g., extreme temperatures, wet environments) that could affect the performance of the trigger.
- Always wear appropriate safety gear, such as eye and ear protection, when using your firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and the safety is engaged.
- Gather necessary tools, including a punch tool for pin removal and installation.

2. Installation Steps:

- Remove the existing trigger and hammer pins from your AR15 using the punch tool.
- Carefully remove the old trigger assembly from the lower receiver.
- Place the new AR15 trigger module into the lower receiver, ensuring it is aligned correctly.
- Insert the original hammer and trigger pins to secure the module in place.
- Verify that the trigger operates smoothly without obstruction.

3. PostInstallation Check:

- Conduct a function check to ensure that the trigger and hammer operate correctly.
- Ensure that the safety mechanism functions properly.
- If you notice any irregularities, consult a qualified gunsmith before use.

4. Usage Instructions:

- When using your firearm, maintain a proper grip and stance.
- Be aware of your surroundings and ensure a clear line of sight before firing.

- Follow all local laws and regulations regarding firearm use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not dispose of the trigger in regular household waste. Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding safety, installation, or product use, please reach out to the manufacturer or a qualified gunsmith. Always ensure you have the latest safety information and updates regarding your product.

Thank you for prioritizing safety while using the AR15 Triggers. Your responsible use contributes to a safer environment for all firearm users.
