Safety Instruction Guide for AR15 Triggers

Introduction

Thank you for choosing the AR15 Triggers (Pull weight is not adjustable) AR15 LARGE PIN SKELETONIZED **4lb**. This product is designed for use with .223 Rem caliber semiautomatic rifles, specifically on the Colt MilSpec AR15 / M4 platform and most true MilSpec clones. It is important to follow these safety instructions to ensure safe handling and usage of your trigger.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using this trigger.
- Always treat firearms as if they are loaded, even when you believe they are not.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and ammunition securely, away from children and unauthorized users.
- Regularly inspect your trigger and firearm for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- This trigger has a fixed pull weight of 4 lb / 1,816 g. Ensure that you are comfortable with this pull weight before use.
- Avoid using the trigger in any conditions that may compromise your safety, such as poor visibility or adverse weather.
- Ensure that the firearm is pointed in a safe direction at all times during handling.
- Do not modify the trigger or firearm in any way that may affect safety or performance.
- Be aware of your surroundings and ensure that you have a clear and safe area to fire.

Instructions for Installation and Usage

1. Installation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger mechanism according to the manufacturer's instructions.
- Carefully install the AR15 trigger by following these steps:
 - Align the trigger with the receiver.
 - Secure the trigger in place using the appropriate pins and tools.
 - Doublecheck that the trigger is properly installed and functions correctly before using the firearm.

2. Usage

- Before firing, ensure that you are in a safe environment and that all safety precautions are observed.
- Load your firearm according to the manufacturer's instructions.
- When ready to fire, take a stable shooting position and align your sights.
- Gently squeeze the trigger to fire, maintaining control of the firearm at all times.

Disposal Instructions

- Dispose of the trigger in accordance with local regulations regarding firearm accessories.
- Ensure that the trigger is rendered safe and unusable before disposal.
- If unsure about disposal methods, contact local authorities for guidance.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the AR15 Triggers, please consult with your local firearms expert or contact the manufacturer for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your new AR15 trigger responsibly.
