Safety Instruction Guide for AR15 TRIGGERS

Introduction

Thank you for choosing the AR15 Competition Trigger. This product is designed to enhance your shooting experience with exceptional precision and reliability. It is essential to follow safety guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the trigger is not pulled until you are ready to shoot.
- Store the trigger and firearm securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and trigger for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the trigger is installed correctly before use.
- Do not modify the trigger or firearm in any way that could affect safety or performance.
- Use appropriate ammunition that is compatible with your firearm.
- Avoid using the firearm in wet or damp conditions to prevent malfunction.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and identify your target and what lies beyond it.

Instructions for Installation and Usage

1. Installation Instructions:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger assembly from the firearm according to the manufacturer's instructions.
- Place the AR15 Competition Trigger into the trigger housing.
- Ensure that the trigger is properly aligned and secured.
- Follow the manufacturer's instructions to reassemble the firearm.
- Conduct a function check to ensure proper operation before use.

2. Usage Instructions:

- Before firing, check that the trigger pull weight is set to 4 pounds, as designed.
- Practice dry firing in a safe environment to become familiar with the trigger's responsiveness.
- During live firing, maintain a firm grip on the firearm and ensure proper stance.
- Take your time to aim and squeeze the trigger smoothly to achieve the best accuracy.

Disposal Instructions

- Dispose of the trigger in accordance with local regulations for electronic waste.
- Do not dispose of the trigger in household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support
