# Safety Instruction Guide for AR PCC Triggers

## Introduction

Thank you for choosing the AR PCC Triggers (Pistol Caliber Carbine) AR PCC 2 Stage **2+21b**. This guide provides essential safety instructions and guidelines to ensure safe and proper use of the product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is compatible with your firearm before installation.
- Always handle firearms with care and follow all applicable laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the trigger for wear and damage before use.
- Store the product in a secure location when not in use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the trigger.
- Use appropriate protective gear, such as safety glasses and ear protection, when handling firearms.
- Do not modify the trigger or firearm in any way that may compromise safety.
- Be aware of your surroundings and ensure a safe environment when using the firearm.
- Follow the manufacturer's instructions for use and maintenance to avoid accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing trigger according to your firearm's manual.
- Carefully install the AR PCC Trigger by following these steps:
  - Align the trigger with the trigger housing.
  - Secure the trigger using the provided pins and ensure it is properly seated.
  - Reassemble any parts removed during installation.
- Perform a function check to ensure the trigger operates correctly.

### 2. Usage:

- Before each use, confirm that the firearm is in safe condition.
- Apply a consistent pull on the trigger, noting the firststage force of 9 N and secondstage force of 9 N.
- Maintain a firm grip on the firearm during operation to ensure stability.
- If you experience any malfunction or unusual behavior, cease use immediately and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and firearm components.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the AR PCC Triggers, please refer to the manufacturer's website or contact their customer support directly.

Thank you for prioritizing safety. Enjoy your shooting experience responsibly!
