ULTIMATE BUILDER'S KIT FOR GLOCK GEN 3-4 Starting with Timney's Alpha Competition trigger platform, the Ultimate Builder's Kit (UBK) for Glock Gen 3-4 also includes a striker, striker spring, connector, safety plunger, and safety plunger spring. The striker, made from stainless steel, matches the geometry of the Alpha Competition sear, while the safety plunger matches the geometry of the Alpha Competition trigger bar and is made from tool steel. All Ultimate Builder's Kit parts are heat treated and NP3 coated for durability and increased lubricity. With a factory set pull weight of 2.5 to 3 pounds, the Timney Alpha Competition UBK trigger kit answers the call for a trigger that maintains the feel of a Timney Trigger all while upholding the dependability of the Glock system. Through an improved trigger design, Timney has created an upgraded trigger that retains the reliability of the Glock while offering a lighter pull weight and a smoother feel from the UBK. SPECIFICATIONS: COMPATIBLE WITH: Medium frame, double stack Gen 3-4 PULL WEIGHT: 2.5 - 3lbs. STRIKER: Stainless steel with NP3 coating CONNECTOR: Stainless steel with NP3 coating SAFETY PLUNGER: Tool steel with NP3 coating TRIGGER ASSEMBLY: Alpha Competition Gen 3-4 trigger

Safety Instruction Guide for GLOCK TRIGGERS (Pull weight 3lb)

Introduction

Thank you for choosing the GLOCK TRIGGERS Ultimate Builder's Kit (UBK) for Glock Gen 34. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the GLOCK TRIGGERS by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about recall notices related to your product. If a recall occurs, follow the instructions provided for a remedy.
- **Online Shopping:** When purchasing online, ensure that you are buying from authorized sellers who comply with safety requirements.
- **Special Consumer Focus:** Extra caution should be exercised when using this product around vulnerable groups, such as children. Keep the product out of reach.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Monitor updates regarding unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Age Requirement:** This product is intended for use by individuals aged 18 and older.
- **Proper Use:** Only use the GLOCK TRIGGERS as intended. Misuse may lead to injury or malfunction.
- **Inspection:** Before each use, inspect the trigger and associated components for signs of wear or damage.
- **Environment:** Use the product in a safe environment, free from distractions and hazards.
- **Storage:** Store the GLOCK TRIGGERS in a secure location, away from children and unauthorized users.
- **Training:** Ensure that you are properly trained in the handling and operation of firearms before using this product.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare the Workspace:** Ensure your workspace is clean, organized, and free from any distractions.
2. **Gather Tools:** Have the necessary tools ready for installation, including a screwdriver and any other required tools.
3. **Read the Manual:** Familiarize yourself with the installation instructions provided in the product manual.
4. **Remove the Old Trigger:** Safely disassemble your Glock and remove the existing trigger assembly.
5. **Install the New Trigger:**
 - Insert the new Alpha Competition trigger into the trigger housing.
 - Attach the striker, striker spring, and connector according to the product manual.
 - Ensure all components are securely in place.
6. **Reassemble the Firearm:** Carefully reassemble your Glock, ensuring all parts are functioning correctly.
7. **Test the Trigger:** Perform a function check to ensure the trigger operates smoothly.

Usage Instructions

- **Loading:** Always ensure the firearm is pointed in a safe direction when loading.
- **Shooting:** Maintain proper shooting stance and grip.

- **Cleaning:** Regularly clean the trigger and associated components to maintain performance.
- **Maintenance:** Periodically check for wear and tear, and replace parts as necessary.

Disposal Instructions

- **Disposal of Components:** Dispose of any old or damaged components responsibly. Follow local regulations for hazardous waste disposal.
- **Recycling:** Whenever possible, recycle materials according to local guidelines.

Contact Information for Further Support

For any inquiries or support regarding the GLOCK TRIGGERS Ultimate Builder's Kit, please refer to the designated EU contact point for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your GLOCK TRIGGERS product. Always prioritize safety and responsible use.
