ULTIMATE BUILDER'S KIT FOR GLOCK GEN 3-4 Starting with Timney's Alpha Competition trigger platform, the Ultimate Builder's Kit (UBK) for Glock Gen 3-4 also includes a striker, striker spring, connector, safety plunger, and safety plunger spring. The striker, made from stainless steel, matches the geometry of the Alpha Competition sear, while the safety plunger matches the geometry of the Alpha Competition trigger bar and is made from tool steel. All Ultimate Builder's Kit parts are heat treated and NP3 coated for durability and increased lubricity. With a factory set pull weight of 2.5 to 3 pounds, the Timney Alpha Competition UBK trigger kit answers the call for a trigger that maintains the feel of a Timney Trigger all while upholding the dependability of the Glock system. Through an improved trigger design, Timney has created an upgraded trigger that retains the reliability of the Glock while offering a lighter pull weight and a smoother feel from the UBK. SPECIFICATIONS: COMPATIBLE WITH: Medium frame, double stack Gen 3-4 PULL WEIGHT: 2.5 - 3lbs. STRIKER: Stainless steel with NP3 coating CONNECTOR: Stainless steel with NP3 coating SAFETY PLUNGER: Tool steel with NP3 coating TRIGGER ASSEMBLY: Alpha Competition Gen 3-4 trigger

# Safety Instruction Guide for GLOCK TRIGGERS (Pull weight 3lb)

## Introduction

Thank you for choosing the GLOCK TRIGGERS Ultimate Builder's Kit (UBK) for Glock Gen 34. This guide provides essential safety information and instructions to ensure safe usage and maintenance of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the GLOCK TRIGGERS by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any recall notices regarding this product. If a recall is issued, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** When purchasing online, ensure that the retailer adheres to safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Check the EU's Safety Gate platform regularly for updates on unsafe products.

## Specific Safety Precautions for Use

- **Read all instructions:** Before using the GLOCK TRIGGERS, read all instructions and warnings carefully.
- **Use appropriate firearms:** This trigger kit is compatible only with Glock Gen 34 models. Ensure that your firearm matches these specifications.
- **Wear safety gear:** Always wear appropriate safety gear, including eye protection, when handling firearms or performing installation.
- **Check for damage:** Before installation, inspect all parts for visible damage. Do not use damaged components.
- **Avoid modifications:** Do not modify any of the components in this kit. Unauthorized modifications may result in malfunction or unsafe operation.
- **Keep away from children:** Ensure that the product is stored in a safe location, away from children and unauthorized users.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have a clean, welllit workspace.
- Gather all necessary tools for installation, including screwdrivers and wrenches.

### 2. Installation Steps:

- **Remove the slide:** Ensure the firearm is unloaded. Remove the slide from the frame.
- **Remove the old trigger assembly:** Follow the manufacturer's instructions to safely remove the existing trigger assembly.
- **Install the new trigger assembly:**
  - Insert the Alpha Competition trigger into the trigger housing.
  - Secure the trigger assembly by following the specific installation instructions provided with your kit.

- **Install the striker and connector:** Follow the instructions to properly install the striker, connector, and safety plunger.
- **Reassemble the firearm:** Carefully reattach the slide to the frame, ensuring that all components are aligned correctly.

### 3. Testing the Installation:

- Ensure the firearm is pointed in a safe direction.
- Perform a function check to ensure the trigger operates smoothly and correctly.
- If any issues are detected, disassemble and inspect the installation before use.

### 4. Usage Guidelines:

- Always follow safe firearm handling practices.
- Regularly inspect the trigger assembly for wear or damage.
- Keep the trigger clean and lubricated as per the manufacturer's recommendations.

## Disposal Instructions

- **Disposal of components:** Dispose of any old or unused components in accordance with local regulations. Do not dispose of in regular household waste.
- **Environmental considerations:** Follow local guidelines for the disposal of metal and plastic materials to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the GLOCK TRIGGERS Ultimate Builder's Kit, please refer to the contact information provided by your retailer or the manufacturer.

By following this safety instruction guide, you can ensure the safe and effective use of your GLOCK TRIGGERS Ultimate Builder's Kit. Always prioritize safety and compliance with local regulations when handling firearms.
