ULTIMATE BUILDER'S KIT FOR GLOCK GEN 3-4 Starting with Timney's Alpha Competition trigger platform, the Ultimate Builder's Kit (UBK) for Glock Gen 3-4 also includes a striker, striker spring, connector, safety plunger, and safety plunger spring. The striker, made from stainless steel, matches the geometry of the Alpha Competition sear, while the safety plunger matches the geometry of the Alpha Competition trigger bar and is made from tool steel. All Ultimate Builder's Kit parts are heat treated and NP3 coated for durability and increased lubricity. With a factory set pull weight of 2.5 to 3 pounds, the Timney Alpha Competition UBK trigger kit answers the call for a trigger that maintains the feel of a Timney Trigger all while upholding the dependability of the Glock system. Through an improved trigger design, Timney has created an upgraded trigger that retains the reliability of the Glock while offering a lighter pull weight and a smoother feel from the UBK. SPECIFICATIONS: COMPATIBLE WITH: Medium frame, double stack Gen 3-4 PULL WEIGHT: 2.5 - 3lbs. STRIKER: Stainless steel with NP3 coating CONNECTOR: Stainless steel with NP3 coating SAFETY PLUNGER: Tool steel with NP3 coating TRIGGER ASSEMBLY: Alpha Competition Gen 3-4 trigger

GLOCK TRIGGERS Safety Instruction Guide

Introduction

Thank you for choosing the GLOCK TRIGGERS (Pull weight 3lb) for your GLOCK GEN 3 and GEN 4 pistols. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the GLOCK TRIGGERS by following the provided instructions. This product is designed for nonfood use and complies with EU safety regulations.
- **Enhanced Recalls:** In the event of a safety issue, standardized recall notices will be issued. Please stay informed about any potential recalls.
- **Online Shopping Safety:** If purchased online, ensure that the retailer complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when handling this product around children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, please consult your local EU consumer safety contact.
- **Rapid Alerts:** Stay updated on unsafe products via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that minors are kept away from this product.
- **Handling:** Always handle the GLOCK TRIGGERS with care. Treat every firearm as if it is loaded, and ensure the firearm is pointed in a safe direction.
- **Installation:** Follow the installation instructions carefully. Improper installation may lead to malfunction or accidents.
- **Testing:** After installation, test the trigger in a safe environment to ensure proper functionality before use.
- **Maintenance:** Regularly inspect and maintain your GLOCK TRIGGERS to ensure they remain in good working condition.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components from the Ultimate Builder's Kit.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove the factory trigger assembly from your GLOCK GEN 3 or GEN 4.
- Install the Alpha Competition trigger according to the included instructions.
- Ensure that the striker, striker spring, connector, safety plunger, and safety plunger spring are securely installed.

3. Testing:

- Once installed, conduct a function test in a safe environment.
- Check for smooth operation of the trigger and ensure it resets properly.

4. Usage:

- Use the GLOCK TRIGGERS in accordance with your GLOCK pistol's operational guidelines.
- Ensure you are in a safe environment when firing your firearm.

Disposal Instructions

- Dispose of any used or damaged parts of the GLOCK TRIGGERS according to local regulations.
- Do not dispose of the product in regular household waste. Instead, consult your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the GLOCK TRIGGERS, please refer to your local EU consumer safety contact.
