GLOCK TRIGGERS Safety Instruction Guide

Introduction

Thank you for choosing the GLOCK TRIGGERS, designed for GLOCK Gen 34 largeframe pistols including models G20, G21, G29, G30, G40, and G41. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only with compatible GLOCK models as specified.
- Always handle firearms and their components with care and responsibility.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for any signs of wear or damage to the trigger and its components.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Pull Weight:** The trigger is factoryset with a fixed pull weight of 3 lb (1,362 g). Be aware that this may feel different from the original trigger.
- **Installation:** Ensure that the trigger is installed correctly by a qualified gunsmith if you are not experienced in firearm modifications.
- **Testing:** After installation, conduct a thorough function test in a safe environment before using the firearm in any shooting scenario.
- **Environment:** Use the product in a safe and controlled environment, away from distractions and potential hazards.
- **Maintenance:** Regularly clean and maintain the trigger as per the manufacturer's recommendations to ensure optimal performance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to the manufacturer's instructions.
- Install the GLOCK TRIGGER by aligning it properly within the trigger housing.
- Confirm that the trigger moves freely and does not bind.
- Reassemble the firearm and ensure all components are secure.

2. Usage:

- Always keep the firearm pointed in a safe direction.
- Be aware of your target and what is beyond it.
- Use appropriate eye and ear protection when firing.
- Practice proper trigger discipline at all times.

3. PostInstallation Testing:

- Conduct a function check by dry firing in a safe environment.
- Ensure the trigger resets properly and functions as intended.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and firearm components.
- Do not throw the product in regular household waste. Contact local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the GLOCK TRIGGERS, please refer to the manufacturer's website or customer service. Ensure you have your product information ready for a quicker response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your GLOCK TRIGGERS. Thank you for prioritizing safety.
