# GLOCK TRIGGERS Safety Instruction Guide

## Introduction

Thank you for choosing the GLOCK TRIGGERS with a pull weight of 3 lb. This product is designed for use with GLOCK largeframe pistols Gen 3-4, including models G20, G21, G29, G30, G40, and G41. Your safety is our priority, and this guide provides essential safety instructions to ensure proper use and handling of the product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Store firearms and ammunition securely, away from unauthorized access, especially from children.
- Regularly inspect your trigger and firearm for any signs of wear or damage.
- Ensure that you are familiar with the specific safety features of your GLOCK pistol model.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the GLOCK TRIGGERS with compatible models (G20, G21, G29, G30, G40, G41).
- Ensure the firearm is unloaded before installation or adjustment of the trigger.
- Do not modify the trigger or firearm in any way that may compromise safety.
- Use appropriate personal protective equipment (PPE) when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunction or unusual behavior from the trigger or firearm, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation (e.g., screwdriver, wrench).
- Work in a clean, welllit area to avoid losing small parts.

### 2. Installation Steps:

- Remove the slide from the GLOCK pistol according to the manufacturer's instructions.
- Carefully remove the factory trigger assembly from the frame.
- Install the GLOCK TRIGGERS by following these steps:
  - Align the trigger assembly with the frame.
  - Secure the assembly using the original screws.
  - Ensure that the trigger moves freely and is properly seated.

### 3. Testing:

- After installation, perform a function check to ensure the trigger operates correctly.
- Ensure that the trigger resets properly and that there are no obstructions.

### 4. Usage:

- Always follow standard firearm safety practices when using your GLOCK pistol.

- Use the trigger as intended, with a pull weight of 3 lb for optimal performance.
- If you are unfamiliar with the trigger or firearm, seek guidance from a qualified instructor.

## **Disposal Instructions**

- Dispose of any defective or damaged triggers in accordance with local regulations.
- Do not throw away firearms or firearm parts in regular trash.
- Contact local authorities or waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support related to the GLOCK TRIGGERS, please refer to the manufacturer's official website or contact your local dealer. Always ensure that you are using safe practices and following the guidelines outlined in this document for the best experience with your product.

Thank you for prioritizing safety and responsible firearm use. Enjoy your shooting experience with the GLOCK TRIGGERS!
