# GLOCK TRIGGERS Safety Instruction Guide

## Introduction

Thank you for choosing the GLOCK TRIGGERS designed for GLOCK Gen 34 largeframe pistols, including models G20, G21, G29, G30, G40, and G41. This guide provides essential safety instructions to ensure the safe and effective use of your trigger with a fixed pull weight of 3 lb / 1,362 g. Please read and understand this guide before installation and use.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that the firearm is pointed in a safe direction at all times.
- Store firearms and ammunition securely and out of reach of children.
- Regularly inspect your trigger and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.
- Be aware of your surroundings and ensure a clear line of sight before firing.

## Specific Safety Precautions for Use

- The GLOCK TRIGGERS are designed for use with specific GLOCK models. Ensure compatibility before installation.
- Do not modify the trigger or firearm in any way that could compromise safety or performance.
- Use only recommended ammunition types and brands to avoid malfunctions.
- If you experience a malfunction, stop using the firearm immediately and consult a qualified gunsmith.
- Be cautious when handling firearms in wet or humid conditions, as moisture can affect performance.
- Ensure that all firearm safety mechanisms are engaged when not in use.

## Instructions for Installation and Usage

1. **Preparation:** Before installation, ensure the firearm is unloaded. Remove the magazine and visually inspect the chamber.
2. **Installation:**
  - Disassemble the GLOCK pistol according to the manufacturer's instructions.
  - Remove the existing trigger assembly carefully.
  - Install the GLOCK TRIGGER by following the provided instructions specific to your model.
  - Ensure all components are securely in place and functioning correctly.
3. **Testing:**
  - After installation, perform a function check to ensure the trigger operates properly.
  - Test the firearm in a safe and controlled environment, ensuring proper handling and safety measures are in place.
4. **Usage:**
  - When using the firearm, maintain proper grip and stance.
  - Be aware of the trigger pull weight and adjust your handling accordingly.
  - Regularly practice safe handling and shooting techniques.

## Disposal Instructions

- Dispose of any defective or damaged triggers in accordance with local regulations.
- Do not throw away firearms or firearm components in regular trash.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the GLOCK TRIGGERS, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your GLOCK TRIGGERS. Always prioritize safety and responsible firearm ownership.
