

GLOCK TRIGGERS (Pull weight 3lb) - GLOCK GEN 5: G17, G19, G19X, G34, G45, G47

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

With a trigger pull weight of 3 lb / 1.36 kg (factory standard approx. 2.65 kg), the Timney Alpha Competition Trigger offers a significantly lighter pull while maintaining a smooth take-up and a crisp break—without compromising the legendary reliability of Glock pistols.

The trigger is easy to install by the user and does not require mandatory installation by a gunsmith.

Technical Specifications:

- Trigger pull weight: 3 lb / 1.36 kg
- Teflon-Nickel (NP3) coating on trigger bar and sear
- Straight aluminum trigger shoe with integrated trigger safety (anodized)
- Uses factory Glock parts and springs
- During independent testing, the Alpha Competition Trigger fired 10,000 rounds without lubrication or cleaning, with zero malfunctions.

Compatible models:

- 17, 19, 19X, 22, 23, 26, 27, 33, 34, 35, 44, 45
- Not compatible (single-stack magazines and/or large-frame models such as 10mm or .45 ACP):
- 20, 21, 29, 36, 40, 41, 42, 43, 43X, 48

GLOCK TRIGGERS Safety Instruction Guide

Introduction

Thank you for choosing the GLOCK TRIGGERS (Pull weight 3lb) for your GLOCK GEN 5 models (G17, G19, G19X, G34, G45, G47). This guide provides essential safety information, installation instructions, and usage precautions to ensure a safe and enjoyable experience with your product. Please read this guide thoroughly before use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the GLOCK TRIGGERS by following all provided instructions and guidelines. This trigger is designed for nonfood products and meets EU safety standards.
- **Enhanced Recalls:** Be aware of the standardized recall notices. If you receive any notifications regarding recalls, please act promptly to ensure your safety.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements. Always buy from reputable sources.
- **Special Consumer Focus:** Extra caution should be taken if the product is used by vulnerable groups, including minors. Ensure that only qualified individuals handle the installation and use of the trigger.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate platform. Regularly check for updates that may affect your product.

Specific Safety Precautions for Use

- **Installation:** Only install the trigger if you have the necessary skills and knowledge. If unsure, seek assistance from a professional gunsmith.
- **Testing:** After installation, ensure that the trigger functions correctly before using the firearm. Perform a safety check to confirm proper operation.
- **Maintenance:** Regularly inspect the trigger for wear or damage. Do not use the firearm if the trigger shows signs of malfunction.
- **Storage:** Store the firearm in a secure location, away from children and unauthorized users.
- **Usage:** Always handle the firearm safely and responsibly. Follow all local laws and regulations regarding firearm use.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a punch tool and a screwdriver.
2. **Safety First:** Before beginning the installation, ensure the firearm is unloaded and pointed in a safe direction.
3. **Remove the Old Trigger:**
 - Disassemble the firearm according to the manufacturer's instructions.
 - Carefully remove the existing trigger and associated components.
4. **Install the New Trigger:**
 - Insert the Timney Alpha Competition Trigger into the trigger housing.
 - Ensure that the trigger bar and sear are properly aligned.
 - Secure the trigger in place using the appropriate screws.
5. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble the firearm.
6. **Function Check:** Conduct a function check to ensure that the trigger operates smoothly and safely.

Usage Instructions

- **Loading the Firearm:** Only load the firearm in a safe environment. Follow the manufacturer's guidelines for loading.
- **Firing:** When ready to fire, ensure your stance is stable, and your finger is off the trigger until you are prepared to shoot.
- **PostUse Care:** After use, clean the trigger and firearm according to the manufacturer's recommendations.

Disposal Instructions

- **Disposal of Old Parts:** Dispose of any old trigger components in accordance with local regulations. Do not discard them in regular waste.
- **Environmental Considerations:** Ensure that all materials are disposed of in an environmentally friendly manner. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries related to safety, installation, or product performance, please reach out to the appropriate contact point associated with this product. Ensure you have your product details ready for a more efficient response.

By following these safety instructions, you can ensure a safe and effective experience with your GLOCK TRIGGERS. Always prioritize safety and responsibility when handling firearms.
