

# **GLOCK TRIGGERS (Pull weight 3lb) - GLOCK GEN 5: G17, G19, G19X, G34, G45, G47**

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

With a trigger pull weight of 3 lb / 1.36 kg (factory standard approx. 2.65 kg), the Timney Alpha Competition Trigger offers a significantly lighter pull while maintaining a smooth take-up and a crisp break—without compromising the legendary reliability of Glock pistols.

The trigger is easy to install by the user and does not require mandatory installation by a gunsmith.

# GLOCK TRIGGERS Safety Instruction Guide

## Introduction

Thank you for choosing the GLOCK TRIGGERS (Pull weight 3lb) for your Glock Gen 5 models (G17, G19, G19X, G34, G45, G47). This guide provides essential safety information, installation instructions, and usage precautions to ensure the safe operation of your trigger. Please read this document carefully before use.

## General Safety Guidelines

To ensure the safe use of the GLOCK TRIGGERS, please follow these general safety guidelines:

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear or damage.
- Ensure that you are using the correct ammunition for your firearm.

## Specific Safety Precautions for Use

When using the GLOCK TRIGGERS, please observe the following specific safety precautions:

- The trigger pull weight is set at 3 lb / 1.36 kg. Ensure you are familiar with this pull weight before use.
- Do not modify the trigger or any associated components, as this may compromise safety and reliability.
- Ensure that the trigger is installed correctly before using the firearm.
- If you experience any malfunctions during use, cease operation immediately and consult a qualified gunsmith.
- Keep the trigger and firearm clean and well-maintained to avoid any operational issues.

## Instructions for Installation and Usage

Follow these steps to install and use the GLOCK TRIGGERS safely:

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory trigger by following the manufacturer's guidelines for disassembly.
- Install the Timney Alpha Competition Trigger by reversing the disassembly steps, ensuring all parts fit securely.
- Verify that the trigger safety operates correctly during installation.
- After installation, perform a function check to ensure the trigger operates smoothly.

### 2. Usage:

- Before firing, ensure that you are in a safe and controlled environment.
- Familiarize yourself with the trigger pull weight and practice handling the firearm without ammunition.
- Always wear appropriate eye and ear protection while shooting.
- After use, clean the firearm and inspect the trigger for any signs of wear or damage.

## Disposal Instructions

When disposing of the GLOCK TRIGGERS or any firearm components, please follow local regulations regarding hazardous waste and firearm disposal.

- Ensure that all materials are disposed of safely and responsibly.
- Consult local authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the GLOCK TRIGGERS, please refer to the manufacturer's website or contact your local dealer for assistance.

## Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of your GLOCK TRIGGERS. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important safety measures.
