

GLOCK TRIGGERS (Pull weight 3lb) - GLOCK GEN 5: G17, G19, G19X, G34, G45, G47

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

With a trigger pull weight of 3 lb / 1.36 kg (factory standard approx. 2.65 kg), the Timney Alpha Competition Trigger offers a significantly lighter pull while maintaining a smooth take-up and a crisp break—without compromising the legendary reliability of Glock pistols.

The trigger is easy to install by the user and does not require mandatory installation by a gunsmith.

Technical Specifications:

- Trigger pull weight: 3 lb / 1.36 kg
- Teflon-Nickel (NP3) coating on trigger bar and sear
- Straight aluminum trigger shoe with integrated trigger safety (anodized)
- Uses factory Glock parts and springs
- During independent testing, the Alpha Competition Trigger fired 10,000 rounds without lubrication or cleaning, with zero malfunctions.

Compatible models:

- 17, 19, 19X, 22, 23, 26, 27, 33, 34, 35, 44, 45
- Not compatible (single-stack magazines and/or large-frame models such as 10mm or .45 ACP):
- 20, 21, 29, 36, 40, 41, 42, 43, 43X, 48

GLOCK TRIGGERS Safety Instruction Guide

Introduction

Thank you for choosing the GLOCK TRIGGERS (Pull weight 3lb) for your GLOCK GEN 5 models, including G17, G19, G19X, G34, G45, and G47. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your trigger. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your GLOCK pistol before installing or using the trigger.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and trigger in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and trigger for any signs of wear or damage.
- Do not use the trigger if you notice any abnormalities or if it has been modified in any way.
- Follow all local laws and regulations regarding the use and ownership of firearms.

Specific Safety Precautions for Use

- The GLOCK TRIGGERS are designed for use with specific GLOCK models. Ensure compatibility before installation.
- Use only factory Glock parts and springs to maintain the integrity and safety of your firearm.
- Do not exceed the recommended trigger pull weight of 3 lb / 1.36 kg.
- Avoid using the trigger in environments that may expose it to moisture, dirt, or extreme temperatures.
- Always wear appropriate eye and ear protection when using your firearm.
- Ensure that you are in a controlled and safe environment when testing the trigger.

Instructions for Installation and Usage

Installation Instructions

1. Preparation

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch tool and a small hammer.

2. Remove the Factory Trigger

- Follow the manufacturer's instructions to disassemble your GLOCK pistol.
- Carefully remove the factory trigger and set it aside.

3. Install the GLOCK TRIGGERS

- Align the new trigger with the trigger bar and sear.
- Gently press the trigger into place using the punch tool if necessary.
- Ensure that the trigger safety is functioning correctly.

4. Reassemble Your Firearm

- Follow the manufacturer's instructions to reassemble your GLOCK pistol.
- Doublecheck that all parts are securely in place.

5. Test the Trigger

- Conduct a function check to ensure that the trigger operates smoothly.
- Confirm that the trigger safety is engaged and functioning properly.

Usage Instructions

- When using the GLOCK TRIGGERS, maintain a proper grip and stance.
- Practice dry firing in a safe environment to become familiar with the trigger's pull weight and feel.
- Regularly practice safe handling and shooting techniques.

Disposal Instructions

- Dispose of the GLOCK TRIGGERS in accordance with local regulations for firearms and firearm components.
- Do not dispose of the product in regular household waste.
- Contact local authorities for guidance on safe disposal methods.

Contact Information for Further Support

For safety inquiries or assistance regarding your GLOCK TRIGGERS, please refer to the manufacturer's website or customer support resources.

By following these guidelines, you can ensure the safe and effective use of your GLOCK TRIGGERS. Remember to always prioritize safety and compliance with local laws and regulations.
