

GLOCK TRIGGERS (Pull weight 3lb) - GLOCK GEN 5: G17, G19, G19X, G34, G45, G47

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

With a trigger pull weight of 3 lb / 1.36 kg (factory standard approx. 2.65 kg), the Timney Alpha Competition Trigger offers a significantly lighter pull while maintaining a smooth take-up and a crisp break—without compromising the legendary reliability of Glock pistols.

The trigger is easy to install by the user and does not require mandatory installation by a gunsmith.

Technical Specifications:

- Trigger pull weight: 3 lb / 1.36 kg
- Teflon-Nickel (NP3) coating on trigger bar and sear
- Straight aluminum trigger shoe with integrated trigger safety (anodized)
- Uses factory Glock parts and springs
- During independent testing, the Alpha Competition Trigger fired 10,000 rounds without lubrication or cleaning, with zero malfunctions.

Compatible models:

- 17, 19, 19X, 22, 23, 26, 27, 33, 34, 35, 44, 45
- Not compatible (single-stack magazines and/or large-frame models such as 10mm or .45 ACP):
- 20, 21, 29, 36, 40, 41, 42, 43, 43X, 48

GLOCK TRIGGERS Safety Instruction Guide

Introduction

Thank you for choosing the GLOCK TRIGGERS (Pull weight 3lb) for your GLOCK GEN 5 models (G17, G19, G19X, G34, G45, G47). This guide is designed to provide comprehensive safety instructions to ensure the safe use and installation of your trigger. Please read this document carefully and follow all guidelines to ensure your safety and the proper functioning of the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the trigger is not pulled unless you are ready to shoot.
- Store the firearm and ammunition separately and securely.
- Regularly inspect your firearm and trigger for any signs of wear or damage.
- Only use compatible GLOCK models as specified in the product description.
- Use factory Glock parts and springs to maintain safety and reliability.
- Always wear appropriate eye and ear protection when handling firearms.

Specific Safety Precautions for Use

- **Trigger Pull Weight:** The GLOCK TRIGGERS have a pull weight of 3 lb / 1.36 kg. Ensure you are comfortable with this weight before use.
- **Installation:** This trigger is designed for easy installation by the user. However, if you are unsure or uncomfortable with installation, consult a qualified gunsmith.
- **Testing:** During independent testing, the Alpha Competition Trigger fired 10,000 rounds without lubrication or cleaning, with zero malfunctions. However, always check for proper function before using the firearm in a critical situation.
- **Age Restrictions:** This product is not intended for use by individuals under the age of 18. Ensure that only qualified adults handle and operate the firearm.
- **Vulnerable Groups:** Extra care should be taken to ensure that children and inexperienced users do not have access to the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory trigger and replace it with the GLOCK TRIGGERS according to the following steps:
 - Disassemble the firearm following the manufacturer's instructions.
 - Remove the existing trigger bar and sear.
 - Install the GLOCK TRIGGERS by placing it in the same position as the factory trigger.
 - Ensure that the TeflonNickel (NP3) coating on the trigger bar and sear is intact and not damaged.
 - Reassemble the firearm carefully, ensuring all parts are securely in place.
- Test the trigger function in a safe environment before live firing.

2. Usage:

- Familiarize yourself with the trigger's feel and operation before using it in a shooting scenario.
- Practice dry firing in a safe environment to get accustomed to the lighter pull weight.
- Always follow the basic rules of firearm safety during operation.

Disposal Instructions

- Dispose of the GLOCK TRIGGERS in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods for firearm components.

Contact Information for Further Support

For any questions or concerns regarding the GLOCK TRIGGERS, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's official website for more details.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your GLOCK TRIGGERS. Always prioritize safety and responsible firearm use. Thank you for choosing our product, and happy shooting!
