

# **GLOCK TRIGGERS (Pull weight 3lb) - GLOCK GEN 5: G17, G19, G19X, G34, G45, G47**

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

With a trigger pull weight of 3 lb / 1.36 kg (factory standard approx. 2.65 kg), the Timney Alpha Competition Trigger offers a significantly lighter pull while maintaining a smooth take-up and a crisp break—without compromising the legendary reliability of Glock pistols.

The trigger is easy to install by the user and does not require mandatory installation by a gunsmith.

Technical Specifications:

- Trigger pull weight: 3 lb / 1.36 kg
- Teflon-Nickel (NP3) coating on trigger bar and sear
- Straight aluminum trigger shoe with integrated trigger safety (anodized)
- Uses factory Glock parts and springs
- During independent testing, the Alpha Competition Trigger fired 10,000 rounds without lubrication or cleaning, with zero malfunctions.

Compatible models:

- 17, 19, 19X, 22, 23, 26, 27, 33, 34, 35, 44, 45
- Not compatible (single-stack magazines and/or large-frame models such as 10mm or .45 ACP):
- 20, 21, 29, 36, 40, 41, 42, 43, 43X, 48

# GLOCK TRIGGERS Safety Instruction Guide

## Introduction

Thank you for choosing the GLOCK TRIGGERS (Pull weight 3lb) for your GLOCK GEN 5 models (G17, G19, G19X, G34, G45, G47). This product is designed to enhance your shooting experience with a lighter trigger pull while ensuring safety and reliability. Please read this safety instruction guide carefully to ensure safe usage and maintenance of your trigger.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the trigger is not pulled unless you are ready to shoot.
- Store the firearm and trigger in a secure location away from unauthorized users, especially children.
- Regularly inspect your firearm and trigger for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- **Trigger Pull Weight:** The GLOCK TRIGGERS has a pull weight of 3 lb / 1.36 kg. Ensure you are comfortable with this weight before use.
- **Compatibility:** The trigger is compatible with GLOCK models 17, 19, 19X, 34, 45, and 47. Do not attempt to use it with noncompatible models (e.g., singlestack magazines or largeframe models such as 10mm or .45 ACP).
- **Installation:** Installation should be performed according to the instructions provided. If unsure, seek assistance from a qualified gunsmith.
- **Testing:** After installation, test the trigger in a safe environment before regular use.
- **Maintenance:** The trigger has been tested for 10,000 rounds without lubrication or cleaning. However, regular maintenance is recommended to ensure optimal performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory trigger according to your GLOCK's user manual.
- Install the GLOCK TRIGGERS by following the specific installation instructions provided with the product.
- Ensure that all components are securely in place before proceeding.

### 2. Usage:

- Before using the firearm, perform a function check to ensure the trigger operates correctly.
- Load your firearm in a safe environment, following all safety protocols.
- When ready to shoot, maintain a firm grip and a proper stance.
- Take your time to aim and squeeze the trigger gently to avoid jerking.

## Disposal Instructions

- Dispose of the GLOCK TRIGGERS in accordance with local regulations. Do not dispose of it in regular household waste.
- If the product is damaged or no longer needed, consider recycling options or contact a local waste management authority for guidance.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the GLOCK TRIGGERS, please refer to the manufacturer's contact details provided with the product packaging or visit the official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your GLOCK TRIGGERS. Always prioritize safety and responsibility when handling firearms.
