

# **GLOCK TRIGGERS (Pull weight 3lb) - GLOCK GEN 5: 20, 21, 29, 30, 40 and 41**

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The new Timney Alpha Competition Series is a drop-in match trigger for Glock pistols. Designed to combine a 3-pound (approx. 1,360 g) trigger pull with Glock's well-known reliability, this crisp-breaking trigger delivers an exceptionally clean feel with a smooth trigger stroke.

In true Timney tradition, the match trigger is a direct replacement that requires no additional parts and works with all other factory Glock components and springs. To ensure long-term reliability even without maintenance, the trigger bar and sear are coated with Teflon-Nickel (NP3), providing extremely low friction and excellent wear resistance. The trigger shoe is made from aluminum and features a red anodized safety.

In an independent test, the Alpha Competition Trigger fired 10,000 rounds without lubrication or cleaning—and without a single malfunction.

## **Attributes**

- Name: [GLOCK GEN 5: 20, 21, 29, 30, 40 and 41](#)
- Manufacturer: [TIMNEY](#)

# GLOCK TRIGGERS Safety Instruction Guide

## Introduction

Thank you for choosing the GLOCK TRIGGERS (Pull weight 3lb) for GLOCK GEN 5: 20, 21, 29, 30, 40, and 41. This guide provides important safety instructions and guidelines to ensure the safe use and handling of your trigger. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always treat firearms and firearm components as if they are loaded.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Only use the GLOCK TRIGGERS with compatible GLOCK models as specified.
- Ensure that your firearm is in good working condition before installation.
- Do not modify the trigger or any other part of the firearm without proper knowledge and expertise.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Regularly inspect your trigger and firearm for wear and damage.

## Specific Safety Precautions for Use

- Do not attempt to install the trigger if you are unsure of the process. Seek assistance from a qualified gunsmith.
- Always wear safety glasses when handling firearms to protect your eyes from potential debris.
- Ensure that the firearm is pointed in a safe direction during installation and handling.
- Avoid using excessive force during installation. Follow the manufacturer's instructions carefully.
- Never leave a firearm unattended while it is being handled or modified.
- Be aware of the potential for accidental discharge. Always keep your finger off the trigger until ready to shoot.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Make sure that the firearm is unloaded and pointed in a safe direction.
2. **Disassemble Firearm:** Follow the manufacturer's instructions to disassemble your GLOCK pistol.
3. **Remove Old Trigger:** Carefully remove the existing trigger and any associated components.
4. **Install New Trigger:**
  - Align the Timney Alpha Competition Trigger with the trigger housing.
  - Gently push the trigger into place until it is securely seated.
5. **Reassemble Firearm:** Follow the manufacturer's instructions to reassemble your GLOCK pistol.
6. **Function Check:** Perform a function check to ensure that the trigger operates correctly. Ensure that the firearm is unloaded during this check.

### Usage Instructions

- Always follow safe firearm handling practices when using your GLOCK pistol with the new trigger.
- Be familiar with the trigger pull weight and ensure that all users understand how it may affect shooting performance.
- Regularly clean and maintain your trigger and firearm to ensure optimal performance.

## Disposal Instructions

- Dispose of any old or damaged firearm components in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.

- Contact local authorities or licensed disposal facilities for proper disposal methods.

## Contact Information for Further Support

For any inquiries or support regarding the GLOCK TRIGGERS, please contact the manufacturer or visit their official website for further assistance.

By following these guidelines and instructions, you can ensure a safer experience with your GLOCK TRIGGERS. Always prioritize safety and make informed decisions regarding firearm use and modifications. Thank you for your attention to these important safety measures.
