

# GLOCK TRIGGERS (Pull weight 3lb) - GLOCK GEN 5: 20, 21, 29, 30, 40 and 41

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The new Timney Alpha Competition Series is a drop-in match trigger for Glock pistols. Designed to combine a 3-pound (approx. 1,360 g) trigger pull with Glock's well-known reliability, this crisp-breaking trigger delivers an exceptionally clean feel with a smooth trigger stroke.

In true Timney tradition, the match trigger is a direct replacement that requires no additional parts and works with all other factory Glock components and springs. To ensure long-term reliability even without maintenance, the trigger bar and sear are coated with Teflon-Nickel (NP3), providing extremely low friction and excellent wear resistance. The trigger shoe is made from aluminum and features a red anodized safety.

In an independent test, the Alpha Competition Trigger fired 10,000 rounds without lubrication or cleaning—and without a single malfunction.

## Attributes

# GLOCK TRIGGERS Safety Instruction Guide

## Introduction

Thank you for choosing the GLOCK TRIGGERS (Pull weight 3lb) for GLOCK GEN 5 models: 20, 21, 29, 30, 40, and 41. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the trigger is installed correctly before using the firearm.
- Keep the firearm pointed in a safe direction at all times.
- Do not place your finger on the trigger until you are ready to shoot.
- Store your firearm and ammunition securely, away from children and unauthorized users.
- Regularly check for any signs of wear or damage to the trigger and other components.
- Follow all local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- The GLOCK TRIGGERS are designed for GLOCK GEN 5 models only. Do not use them in other models.
- Ensure that the firearm is unloaded before installing or handling the trigger.
- Use only factory Glock components and springs with the trigger to maintain safety and reliability.
- Do not modify the trigger or firearm beyond the manufacturer's specifications.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch and a hammer.

#### 2. Remove the Existing Trigger

- Disassemble your GLOCK according to the manufacturer's instructions.
- Use the punch to remove the trigger pin and detach the existing trigger.

#### 3. Install the New Trigger

- Align the new GLOCK TRIGGER with the trigger bar and sear.
- Insert the trigger pin to secure the trigger in place.
- Ensure that the trigger moves smoothly without any obstructions.

#### 4. Reassemble the Firearm

- Follow the manufacturer's instructions to reassemble your GLOCK.
- Doublecheck that all components are securely in place.

#### 5. Function Check

- Before using the firearm, conduct a function check to ensure the trigger operates correctly.
- Ensure that the trigger resets properly and that the firearm functions as intended.

## **Usage Instructions**

- Always perform a function check after installation and before each use.
- Be familiar with the trigger's pull weight and ensure you are comfortable with it.
- Regularly clean and maintain the trigger and other components to ensure optimal performance.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the trigger or any component becomes damaged or nonfunctional, do not attempt to repair it. Dispose of it safely and in accordance with local laws.

## **Contact Information for Further Support**

For any questions or concerns regarding the GLOCK TRIGGERS, please refer to the manufacturer's website or contact their customer support for assistance. It is important to have a reliable source of information for any safety inquiries.

## **Conclusion**

Your safety is our priority. By following these guidelines and instructions, you can ensure the safe use of your GLOCK TRIGGERS. Always remember to practice safe firearm handling and to stay informed about the latest safety updates and recalls. Thank you for your commitment to safety.
