GLOCK TRIGGERS Safety Instructions

Introduction

Thank you for choosing the GLOCK TRIGGERS (Pull weight 3lb) for all Gen 34 GLOCK pistols. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your product. Please read this document thoroughly before use.

General Safety Guidelines

- Ensure that all safety and usage instructions are followed to minimize risks.
- Store the product in a safe place, out of reach of children and unauthorized users.
- Regularly check for updates or recalls regarding the product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Be aware of the potential hazards associated with firearm modifications.

Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction when handling.
- Wear appropriate safety gear, such as eye protection, when using or installing the trigger.
- Do not attempt to modify the trigger or any other firearm components beyond the manufacturer's specifications.
- Ensure that the firearm is unloaded before installation or maintenance of the trigger.
- Keep fingers away from the trigger until ready to shoot.
- If you are unsure about the installation process, seek professional assistance.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools: a screwdriver, and any specific tools recommended by the manufacturer.

2. Removing the Old Trigger:

- Follow the manufacturer's guidelines to remove the existing trigger from the firearm.
- Keep track of all parts and screws for reassembly.

3. Installing the GLOCK Trigger:

- Align the new GLOCK trigger with the existing components.
- Securely fasten the trigger using the screws provided.
- Ensure that the trigger moves freely and does not bind.

4. Testing:

- After installation, conduct a function check to ensure proper operation.
- If any issues are detected, consult a professional gunsmith.

Usage Instructions

- Familiarize yourself with the operation of the new trigger before using the firearm in a live environment.

- Practice safe handling and shooting techniques at all times.
- Regularly inspect the trigger for wear or damage before use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding hazardous materials and firearm components.
- Do not simply discard the product in regular waste; contact local authorities for guidance on proper disposal.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product issues, please contact the manufacturer or consult a qualified professional. Ensure that you have your product code (GlockEFT34) available for reference.

Thank you for prioritizing safety and responsible use. Enjoy your enhanced shooting experience with the GLOCK TRIGGERS.
