[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The Alpha Series trigger is a complete replacement trigger designed for Glock Generation 3 and Generation 4 pistols.

With a factory-set pull weight of 3 pounds (1.36 kg) instead of the standard 2.65 kg, the Timney Alpha Competition Trigger offers a significantly lighter trigger pull with a smooth take-up and a crisp, defined break—without compromising Glock's renowned reliability.

The trigger can be easily installed by the user and does not require mandatory gunsmith installation.

## **Technical Specifications**

- Trigger pull weight: 3 lb / 1.36 kg
- NP3 (Teflon-Nickel) coating on trigger bar and sear for reduced friction and increased durability
- Straight aluminum trigger shoe with integrated safety blade (anodized)
- Uses factory Glock parts and springs
- Proven reliability: 10,000 rounds fired without lubrication or cleaning in an independent test — zero malfunctions

## **Compatible Models**

- Glock 17, 19, 22, 23, 26, 27, 31, 32, 33, 34, 35

## **Not Compatible**

- Single-stack models and/or large-frame models, including: 19X, 20, 21, 29, 36, 40, 41, 42, 43, 43X, 44, 45, 48
- A true drop-in competition trigger that delivers a lighter, cleaner pull while maintaining the legendary dependability of Glock pistols.

## **Attributes**

- Name: [GLOCK GEN 3: G17, G17L, G19, G22, G23, G24, G34, G35 GLOCK GEN 4: G17, G19, G22, G23, G34,G35](#)
- Manufacturer: [TIMNEY](#)

# GLOCK TRIGGERS Safety Instruction Guide

## Introduction

Thank you for choosing the GLOCK TRIGGERS (Pull weight 3lb). This guide provides essential safety instructions to ensure the safe use and installation of your new trigger. Please read this guide thoroughly before using the product.

## General Safety Guidelines

To ensure the safe use of GLOCK TRIGGERS, please adhere to the following guidelines:

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and ammunition securely, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure you have a clear and safe area for shooting.
- Regularly inspect your firearm and trigger for any signs of wear or damage.
- Always follow the manufacturer's instructions and guidelines for use and maintenance.

## Specific Safety Precautions for Use

When using the GLOCK TRIGGERS, it is important to take the following precautions:

- Ensure that you are familiar with the operation of your GLOCK pistol before installing the trigger.
- Only use the GLOCK TRIGGERS with compatible models (Glock Gen 3 and Gen 4: G17, G19, G22, G23, G34, G35).
- Do not attempt to modify the trigger or any components.
- Avoid using the trigger in adverse conditions (e.g., extreme temperatures, wet environments).
- Ensure that the trigger is properly installed before using the firearm.
- Use appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

Follow these steps to safely install and use the GLOCK TRIGGERS:

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if applicable).

### 2. Installation:

- Remove the slide from the GLOCK pistol.
- Follow the specific installation instructions provided with the trigger.
- Ensure that the NP3 (TeflonNickel) coated trigger bar and sear are correctly positioned.
- Reassemble the firearm and perform a function check to ensure proper installation.

### 3. Usage:

- Load your firearm only when you are ready to shoot.
- Ensure that the safety blade on the trigger is functioning correctly.
- Practice safe shooting habits and be aware of your target and what lies beyond it.

## **Disposal Instructions**

When disposing of the GLOCK TRIGGERS or any associated components, please follow these guidelines:

- Do not dispose of the trigger in regular household waste.
- Check local regulations for proper disposal methods for firearm components.
- Consider recycling options if available.

## **Contact Information for Further Support**

For any inquiries regarding the GLOCK TRIGGERS, including safety concerns or product support, please refer to the manufacturer's contact information provided with your product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your GLOCK TRIGGERS. Always prioritize safety and responsibility while handling firearms. Thank you for your attention to these important guidelines.
