

# GLOCK TRIGGERS (Pull weight 3lb) - GLOCK GEN 5: G17, G19, G19X, G34, G45, G47

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The new Timney Alpha Competition Series is a true drop-in match trigger for Glock pistols. Designed to combine a 3-pound (approx. 1,360 g) trigger pull with Glock's legendary reliability, this trigger delivers a clean, dry break with a smooth and consistent trigger travel.

In classic Timney fashion, the match trigger is a complete replacement unit that installs easily without the need for additional parts. It works seamlessly with all other factory Glock components and springs. To ensure long-term reliability—even without maintenance—the trigger bar and sear are treated with a Teflon-Nickel (NP3) coating, providing extremely low friction and outstanding wear resistance. The trigger shoe is made from aluminum and features a red anodized safety blade.

NO IMAGE  
AVAILABLE

In an independent test, the Alpha Competition Trigger fired 10,000 rounds without lubrication or cleaning, with zero malfunctions.

For sporting use only! Not intended for hunting or duty/service use.

# GLOCK TRIGGERS Safety Instruction Guide

## Introduction

Thank you for choosing the GLOCK TRIGGERS (Pull weight 3lb) GLOCK GEN 5: G17, G19, G19X, G34, G45, G47. This guide provides essential safety instructions to ensure the safe use and installation of your new Timney Alpha Competition Series trigger. Please read this document carefully before use to understand the safety guidelines and proper handling of the product.

## General Safety Guidelines

- Ensure that the trigger is installed by a qualified gunsmith or a person knowledgeable about firearm modifications.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep the firearm pointed in a safe direction at all times.
- Do not place your finger on the trigger until you are ready to shoot.
- Store firearms and ammunition in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and trigger for signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- This trigger is designed for sporting use only. It is not intended for hunting or duty/service use.
- Ensure that the trigger is compatible with your specific GLOCK model before installation.
- Do not use the trigger if it shows signs of damage or if the installation is not completed correctly.
- Be aware that the trigger pull weight is set at 3 pounds; familiarize yourself with this before use.
- Avoid using the trigger in wet or humid conditions to prevent corrosion.
- Do not modify the trigger or any of its components without consulting a qualified professional.

## Instructions for Installation and Usage

### Installation Instructions

1. **Safety First:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Disassemble the Firearm:** Follow the manufacturer's instructions to disassemble your GLOCK firearm.
3. **Remove the Existing Trigger:**
  - Carefully remove the existing trigger assembly from the frame.
  - Pay attention to the placement of all components for reassembly.
4. **Install the Timney Alpha Competition Trigger:**
  - Place the new trigger into the frame, ensuring it fits securely.
  - Reinstall any components removed during disassembly.
5. **Check Compatibility:** Ensure that the trigger is seated correctly and that all factory components are in place.
6. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble your GLOCK.
7. **Test the Trigger:**
  - Conduct a function check to ensure the trigger operates correctly.
  - Ensure the trigger pull weight is consistent and smooth.

### Usage Instructions

- Always wear appropriate eye and ear protection when using firearms.
- Ensure a safe shooting environment, free from obstructions and bystanders.
- Familiarize yourself with the trigger's operation before engaging in live fire practice.
- Regularly clean and maintain your trigger and firearm to ensure optimal performance.

## **Disposal Instructions**

When disposing of the product or any components, follow these guidelines:

- Dispose of the trigger and any associated parts in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, consider recycling options where available.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding your GLOCK TRIGGERS, please refer to the contact information provided by the manufacturer or your local dealer.

By following the guidelines and instructions outlined in this document, you can ensure a safe and enjoyable experience with your GLOCK TRIGGERS. Thank you for your commitment to safety and responsible firearm use.
