# GLOCK PIVOT SAFETY TRIGGERS Safety Instruction Guide

## Introduction

Thank you for purchasing the GLOCK PIVOT SAFETY TRIGGERS. This product is designed to enhance your shooting experience with Glock Gen 5 pistols. The safety of our consumers is our top priority. Please read this safety instruction guide carefully to ensure proper use and installation of your new trigger kit.

## General Safety Guidelines

- Ensure you are familiar with the operation of your Glock Gen 5 pistol before using this trigger kit.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Store firearms and ammunition securely and out of reach of children.
- Always wear appropriate eye and ear protection when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly check for product recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the GLOCK PIVOT SAFETY TRIGGERS with the specified Glock Gen 5 models: 20, 21, 29, 30, 40, and 41.
- The trigger pull weight is factoryset at approximately 3 lb ( $\approx 1.36$  kg). Ensure you are comfortable with this pull weight before use.
- Do not modify the trigger kit or any components, as this may create safety hazards.
- If you experience any malfunctions while using the trigger, cease use immediately and consult a qualified gunsmith.
- Keep your firearm clean and wellmaintained to ensure optimal performance and safety.

## Instructions for Installation and Usage

1. **Read the Manual:** Before installation, read the instruction manual of your Glock Gen 5 pistol.
2. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
3. **Remove the Slide:** Follow the manufacturer's instructions to safely remove the slide from the frame.
4. **Install the Trigger Kit:**
  - Locate the trigger assembly in the frame.
  - Remove the existing trigger assembly according to the manual.
  - Insert the GLOCK PIVOT SAFETY TRIGGERS into the frame in place of the old assembly.
  - Ensure the trigger is seated properly and functions smoothly.
5. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble the slide and frame.
6. **Function Check:** Before using the firearm, perform a function check to ensure the trigger operates correctly.
7. **Test Fire:** If comfortable, conduct a test fire in a safe and controlled environment.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the trigger kit is damaged or no longer in use, consult local regulations for safe disposal methods.
- Do not dispose of firearms or firearm components in regular waste. Follow local laws for hazardous waste disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the GLOCK PIVOT SAFETY TRIGGERS, please consult your retailer or refer to the manufacturer's website for additional support and resources.

By following these guidelines, you can ensure a safe and enjoyable experience with your GLOCK PIVOT SAFETY TRIGGERS. Thank you for your attention to safety, and happy shooting!
