

ARISAKA TRIGGERS - ARISAKA 6.5 (Model 38) ****3lb**** W/SAFETY

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Timney is recognized as the market leader in replacement triggers for Arisaka rifles. This true drop-in trigger is designed to deliver precision, safety, and ease of use without the need for professional installation.

The trigger comes factory calibrated and ready to shoot, while still offering full adjustability for sear engagement (creep), overtravel, and pull weight, allowing shooters to fine-tune the feel to their exact preferences. A proprietary Timney-designed trigger-blocking safety ensures secure operation, preventing any trigger movement when the safety is engaged.

Key Features:

- True drop-in replacement trigger
- Factory set and ready for immediate use
- Fully adjustable pull weight, sear engagement, and overtravel
- Timney-designed trigger-blocking safety
- Trigger remains locked when on safe
- Improves accuracy and shot consistency
- Easy installation with no gunsmith required
- Compatible with all Arisaka 6.5 actions

Safety Instruction Guide for ARISAKA TRIGGERS

ARISAKA 6.5 (Model 38) 3lb W/SAFETY

Introduction

Thank you for choosing the ARISAKA TRIGGERS ARISAKA 6.5 (Model 38) 3lb with Safety. This product is designed to enhance your shooting experience while ensuring safety and precision. Please read this safety instruction guide carefully to understand how to use and maintain your trigger safely.

General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure the firearm is pointed in a safe direction at all times.
- Store firearms and ammunition separately, and out of reach of children.
- Always wear appropriate eye and ear protection when shooting.
- Familiarize yourself with local laws and regulations regarding firearm usage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the trigger is installed correctly before using your firearm.
- Do not modify the trigger or its components in any way.
- Use only compatible Arisaka 6.5 actions with this trigger.
- Always engage the safety when the firearm is not in use.
- Regularly check the trigger mechanism for any signs of wear or damage.
- If you experience any malfunction, cease use immediately and seek professional assistance.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure that the firearm is unloaded and the safety is engaged.
- Gather necessary tools: screwdriver, and any other tools specified in your firearm's manual.

2. Remove the Old Trigger:

- Follow your firearm's manual to safely remove the existing trigger assembly.

3. Install the New Trigger:

- Carefully insert the ARISAKA trigger into the designated slot.
- Ensure that it fits snugly and aligns with the trigger guard.

4. Adjustments:

- If necessary, adjust the sear engagement (creep), overtravel, and pull weight according to your preferences. Refer to the product manual for detailed adjustment instructions.

5. Testing:

- Before using the firearm, test the trigger function to ensure it operates smoothly.
- Engage and disengage the safety to confirm proper functionality.

Usage Instructions

- Always engage the safety when the firearm is not in use.
- When ready to shoot, disengage the safety and ensure your finger is off the trigger until you are prepared to fire.
- After shooting, immediately reengage the safety and secure the firearm.

Disposal Instructions

- Dispose of the trigger in accordance with local regulations regarding firearm components.
- Do not dispose of the trigger in regular household waste.
- Contact local waste management services for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the ARISAKA TRIGGERS ARISAKA 6.5 (Model 38) 3lb with Safety, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure a safe and enjoyable shooting experience with your ARISAKA trigger. Thank you for prioritizing safety.
