Introduction

Thank you for choosing the ARISAKA TRIGGERS ARISAKA 7.7 (Model 99) **3 LB W/SAFETY**. This product is designed to enhance your shooting experience by providing a reliable and adjustable trigger mechanism. To ensure your safety and the proper functioning of your trigger, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Never point your firearm at anything you do not intend to shoot.
- Store your firearm and ammunition securely, out of reach of children and unauthorized persons.
- Regularly inspect your trigger and firearm for any signs of wear or damage.
- Always follow local laws and regulations regarding firearm usage and safety.

Specific Safety Precautions for Use

- Ensure that the safety mechanism is engaged when the firearm is not in use.
- Only use the trigger with compatible Arisaka 7.7 actions.
- Adjust the pull weight only when the firearm is unloaded and pointed in a safe direction.
- Do not exceed the recommended pull weight adjustment range (1.54 lbs).
- If you experience any malfunction or unusual behavior from the trigger, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Trigger:** Follow the manufacturer's instructions to safely remove the existing trigger from your Arisaka rifle.
3. **Install the New Trigger:**
 - Align the Timney trigger with the trigger housing.
 - Secure the trigger in place using the appropriate screws provided.
4. **Adjustments:**
 - Set the desired pull weight within the range of 1.54 lbs.
 - Adjust the sear engagement (creep) and overtravel according to your preference.
5. **Safety Check:** Ensure the triggerblocking safety is functioning correctly before using the firearm.

Usage

- Always ensure the safety is engaged when the firearm is not in use.
- Before shooting, perform a functionality check to confirm that the trigger operates correctly.
- Make adjustments to the trigger settings only when the firearm is unloaded and in a safe environment.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the trigger or any component becomes damaged beyond repair, contact a qualified disposal service for

proper disposal.
