

# BARRETT (Pull Weight adjustable 1.5-4lb) - BARRETT MRAD, Nickel Plated (Pull Weight adjustable 1.5-4lb)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Designed for shooters who demand uncompromising trigger performance, the MRAD® Replacement Trigger delivers a perfect balance of strength, precision, and adjustability. Built to be rugged and intuitive, it allows fine tuning of both pull weight and overtravel, while still being sensitive enough to set as light as 1.5 pounds or as heavy as 4 pounds.

This single-stage trigger is fully precision-machined using advanced manufacturing processes—no metal injection molding or stamped components are used. Featuring a compounded sear leverage system, the MRAD® Replacement Trigger provides an exceptionally wide and consistent pull-weight adjustment range, ensuring a clean, predictable break tailored to the shooter's exact requirements.

# Safety Instruction Guide for BARRETT MRAD Replacement Trigger

## Introduction

This safety instruction guide provides essential information for the safe use and handling of the BARRETT MRAD Replacement Trigger (Pull Weight adjustable 1.54lb). Designed for shooters who demand high performance, it is crucial to follow these guidelines to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the trigger is installed by a qualified gunsmith or experienced individual.
- Always treat firearms as if they are loaded, even when they are not.
- Store the trigger in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger for wear or damage before use.
- Follow all manufacturer instructions for installation and usage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the recommended pull weight settings (1.5 to 4 pounds).
- Avoid making adjustments to the trigger while the firearm is loaded.
- Ensure the firearm is pointed in a safe direction at all times during adjustments.
- Be aware of the trigger's sensitivity; make adjustments gradually to avoid accidental discharges.
- Use proper eye and ear protection when testing the trigger.
- Do not modify the trigger or its components beyond the manufacturer's specifications.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Trigger:** Follow the manufacturer's instructions to safely remove the existing trigger.
3. **Install the New Trigger:**
  - Align the BARRETT MRAD Replacement Trigger with the trigger housing.
  - Securely fasten the trigger according to the instructions provided by the manufacturer.
4. **Adjust Pull Weight:**
  - Use the adjustment tool (if provided) to set the desired pull weight within the 1.5 to 4 pounds range.
  - Test the adjustment by pulling the trigger without ammunition in the firearm.
5. **Final Inspection:** Ensure all components are securely installed and the trigger functions properly.

### Usage

- Always ensure the firearm is in a safe condition before using the trigger.
- Familiarize yourself with the trigger's operation and characteristics before shooting.
- Practice safe shooting habits, including proper stance and aiming techniques.

## Disposal Instructions

- Dispose of the trigger in accordance with local regulations on electronic waste and firearm components.

- Contact local authorities or waste management services for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the BARRETT MRAD Replacement Trigger, please refer to the manufacturer's customer service or support resources. Always ensure that you have the latest information and assistance available.

By following these safety instructions, users can ensure a safe and effective experience with the BARRETT MRAD Replacement Trigger. Always prioritize safety and responsible handling practices.
