# MAUSER LOW PROFILE SAFETY MAUSER 98 LPS, NICKEL PLATED Safety Instruction Guide

## Introduction

Thank you for choosing the Timney Triggers Mauser 98 Low Profile Safety Lever. This product is designed to enhance the safety and functionality of your Mauser 98 rifle. This guide provides essential safety instructions and information to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the safety lever is installed correctly to prevent accidental discharge.
- Always handle your firearm with care, treating it as if it is loaded at all times.
- Keep the firearm pointed in a safe direction when loading, unloading, or handling.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the safety lever and other components for wear and damage.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the Mauser 98 Low Profile Safety Lever with Mauser 98 rifles that cock on opening of the bolt.
- Do not modify the safety lever or any other components of your firearm.
- Ensure that the firearm is fully unloaded before installing or adjusting the safety lever.
- Always follow the manufacturer's instructions for installation and usage.
- Use appropriate protective gear when handling the firearm, such as safety glasses and hearing protection.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver and any other required equipment.

#### 2. Remove the Old Safety Lever

- Carefully remove the existing safety lever from the Mauser 98 rifle.
- Follow the manufacturer's instructions for disassembly.

#### 3. Install the New Safety Lever

- Align the Timney Triggers Mauser 98 Low Profile Safety Lever with the mounting area.
- Securely attach the safety lever using the appropriate screws or fasteners.
- Ensure that the lever moves freely and engages properly.

#### 4. Test the Safety Function

- After installation, test the safety lever to ensure it functions correctly.
- Ensure that the lever engages and disengages smoothly without obstruction.

## Usage Instructions

- Always engage the safety lever when the firearm is not in use.
- Before firing, ensure the safety lever is in the 'off' position.
- After firing, immediately engage the safety lever when the firearm is not in use.
- Regularly check the safety lever during use to ensure it remains functional.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the safety lever in regular household waste.
- Consider recycling options for metal components if applicable.

## Contact Information for Further Support

For any questions or concerns regarding the Timney Triggers Mauser 98 Low Profile Safety Lever, please refer to the manufacturer's website or contact your local dealer for assistance.

Thank you for prioritizing safety and responsible firearm handling. Enjoy your enhanced Mauser 98 experience with the Timney Triggers Low Profile Safety Lever.
