Safety Instruction Guide for MAUSER LOW PROFILE SAFETY MAUSER 956 LPS, BLACK

Introduction

Thank you for choosing the Timney Triggers Mauser 98 Low Profile Safety Lever. This product is designed to enhance the safety and performance of your Mauser rifle. This safety instruction guide provides essential information on how to use, install, and dispose of the safety lever, ensuring compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle firearms with care and in accordance with local laws and regulations.
- Ensure that the firearm is unloaded before installation or maintenance.
- Use the product only for its intended purpose as specified in this guide.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the safety lever for wear and damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before using the Mauser 98 Low Profile Safety Lever, ensure that you are familiar with the operation of your Mauser rifle.
- Do not attempt to modify the safety lever or use it in a manner not specified by the manufacturer.
- Ensure that the safety lever is fully engaged before handling the firearm.
- If you experience any issues with the safety lever, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver suitable for the screws on the safety lever.

2. Removing the Old Safety Lever

- Locate the existing safety lever on your Mauser rifle.
- Carefully unscrew and remove the old safety lever, taking note of how it is installed for reference.

3. Installing the New Safety Lever

- Align the Timney Triggers Mauser 98 Low Profile Safety Lever with the mounting area.
- Secure the safety lever in place using the screws provided, ensuring it is tightly fastened.
- Verify that the safety lever operates smoothly and engages properly.

Usage Instructions

- To engage the safety, push the lever to the "safe" position.
- To disengage the safety, push the lever to the "fire" position.
- Always check the safety function before use to ensure proper operation.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the safety lever in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions regarding the installation, usage, or safety of the Timney Triggers Mauser 98 Low Profile Safety Lever, please refer to the manufacturer's website or consult a qualified gunsmith.

By following these safety instructions, you can ensure the safe and effective use of your Timney Triggers Mauser 98 Low Profile Safety Lever. Thank you for prioritizing safety in your shooting experience.
