# MAUSER LOW PROFILE SAFETY Speed Lock Springs Safety Instruction Guide

## Introduction

Thank you for choosing the MAUSER LOW PROFILE SAFETY Speed Lock Springs. This product is designed to enhance the safety and performance of your firearm. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always handle firearms with care and respect, following all applicable safety protocols.
- Store the product in a safe, dry place out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the MAUSER LOW PROFILE SAFETY Speed Lock Springs with compatible firearm models as specified by the manufacturer.
- Ensure that the firearm is unloaded before installing or adjusting the safety lock springs.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Do not modify the product or use it in any manner not recommended by the manufacturer.
- Keep the work area clean and free from distractions when installing or adjusting the product.
- If you are unsure about any aspect of the installation or usage, seek assistance from a qualified professional.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and ensure you have a clean workspace.
- Verify that the firearm is unloaded and safe to handle.

### 2. Installation

- Carefully remove the existing safety lock springs from the firearm, following the manufacturer's instructions.
- Install the MAUSER LOW PROFILE SAFETY Speed Lock Springs by aligning them with the designated slots in the firearm.
- Ensure that the springs are seated correctly and securely in place.
- Doublecheck that all components are properly installed before proceeding.

### 3. Usage

- Test the safety mechanism to ensure it functions correctly.
- Familiarize yourself with the operation of the safety lock springs before using the firearm.
- Always follow standard firearm safety practices when handling your firearm, including keeping the muzzle pointed in a safe direction and keeping your finger off the trigger until ready to shoot.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product is damaged or no longer in use, dispose of it responsibly, ensuring it does not pose a risk to others.
- Consider recycling components where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the MAUSER LOW PROFILE SAFETY Speed Lock Springs, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure the safe and effective use of the MAUSER LOW PROFILE SAFETY Speed Lock Springs, contributing to your overall firearm safety. Thank you for your attention to these important guidelines.
