MAUSER LOW PROFILE SAFETY Speed Lock Springs SPRING, ENFIELD SLS Safety Instruction Guide

Introduction

Thank you for choosing the MAUSER LOW PROFILE SAFETY Speed Lock Springs. At Timney Triggers, we prioritize your safety and satisfaction. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always handle the product with care and keep it out of the reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use of firearms and related accessories.
- In case of any safety concerns or incidents, report them to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using firearms.
- Ensure that the firearm is unloaded before installing or adjusting the springs.
- Handle the firearm in a safe manner, keeping the muzzle pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that there is a clear and safe area for shooting.
- Do not attempt to modify or alter the springs beyond the manufacturer's specifications.

Instructions for Installation and Usage

• Installation:

1. Ensure that the firearm is completely unloaded and the safety is engaged.
2. Remove the existing springs from the firearm according to the manufacturer's instructions.
3. Carefully install the MAUSER LOW PROFILE SAFETY Speed Lock Springs, ensuring that they are positioned correctly.
4. Doublecheck the installation to confirm that the springs are secure and properly aligned.

• Usage:

1. After installation, perform a function check to ensure that the safety mechanism operates correctly.
2. Familiarize yourself with the operation of the firearm and the specific role of the installed springs.
3. Regularly clean and maintain the springs and the firearm to ensure optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and mechanical waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MAUSER LOW PROFILE SAFETY Speed Lock Springs, please refer to the product packaging for specific contact information. It is important to have access to support for any safety inquiries or product issues.

Conclusion

Your safety is our top priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your MAUSER LOW PROFILE SAFETY Speed Lock Springs. Thank you for choosing Timney Triggers, and please stay safe while using our products.
