# MAUSER FEATHERWEIGHT Safety Instruction Guide

## Introduction

Thank you for choosing the MAUSER FEATHERWEIGHT trigger system. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and usage to minimize risks and enhance your shooting experience.

## General Safety Guidelines

- Always follow local laws and regulations regarding firearm modifications and usage.
- Ensure that your firearm is unloaded before handling the trigger.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Regularly inspect your trigger for signs of wear or damage.
- Do not attempt to modify the trigger or its components beyond the manufacturer's specifications.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Use the trigger only with compatible Mauser rifle models as specified by the manufacturer.
- Ensure that the pull weight is properly adjusted before use to prevent accidental discharges.
- Avoid placing your finger on the trigger until you are ready to fire.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Never shoot at hard surfaces or water, as bullets can ricochet and cause injury.
- If you experience any malfunctions or irregularities, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Gather all necessary tools and ensure a clean workspace.
- Verify that your firearm is completely unloaded.

#### 2. Remove the Old Trigger:

- Follow the manufacturer's instructions for disassembling your Mauser rifle.
- Carefully remove the existing trigger, taking note of the assembly for reinstallation.

#### 3. Install the MAUSER FEATHERWEIGHT Trigger:

- Align the new trigger with the trigger housing.
- Securely fasten the trigger using the provided screws, ensuring a snug fit.

#### 4. Adjust the Pull Weight:

- Use the adjustment mechanism to set the pull weight between 1.5 to 4 lbs as desired.
- Test the trigger by pulling it gently to ensure it functions correctly.

#### 5. Reassemble the Firearm:

- Carefully reassemble your Mauser rifle according to the manufacturer's guidelines.
- Ensure all components are fitted correctly and securely.

## **Usage Instructions**

- Before each shooting session, perform a safety check of the trigger and firearm.
- Adjust the pull weight as needed, ensuring it is within the safe range.
- Always follow safe shooting practices and guidelines.

## **Disposal Instructions**

- Dispose of the trigger and any associated components in accordance with local regulations.
- Contact local authorities or waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MAUSER FEATHERWEIGHT trigger system, please refer to the manufacturer's website or contact their support team directly.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MAUSER FEATHERWEIGHT trigger system. Always prioritize safety and responsible firearm handling. Thank you for choosing our product, and happy shooting!
