# MOSSBERG Trigger Safety Instructions

## Introduction

Thank you for choosing the MOSSBERG Trigger (Pull weight adjustable 1.54lb). This product is designed to enhance your shooting experience by improving accuracy and providing a customizable trigger feel. It is factory calibrated and ready to use right out of the box. However, it is important to follow all safety guidelines and instructions to ensure safe and effective use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the safety is engaged when the firearm is not in use.
- Use proper eye and ear protection when shooting.
- Store the firearm and the trigger in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure the trigger is installed correctly before using the firearm.
- Do not adjust the pull weight or sear engagement while the firearm is loaded.
- Always make adjustments in a safe environment, free from distractions.
- Familiarize yourself with the trigger's functions and settings before use.
- If you are unsure about the installation or adjustment process, seek assistance from a qualified professional.

## Instructions for Installation and Usage

### Installation

1. **Read the Manual:** Before installation, read all instructions carefully.
2. **Safety First:** Ensure that the firearm is unloaded and the safety is engaged.
3. **Remove the Old Trigger:** Follow the manufacturer's instructions to safely remove the existing trigger from the firearm.
4. **Install the MOSSBERG Trigger:**
  - Align the trigger with the mounting points.
  - Securely fasten the trigger in place according to the instructions.
5. **Adjust the Pull Weight:**
  - Use the adjustment tool provided to set the pull weight between 1.5lb to 4lb.
  - Make small adjustments and test the trigger's function after each change.
6. **Check Sear Engagement:** Ensure proper sear engagement to prevent accidental discharge.
7. **Final Inspection:** Doublecheck all connections and ensure the trigger is securely installed.

### Usage

- Before using the firearm, ensure that all safety checks are performed.
- Engage the safety when not firing.
- Test the trigger in a safe environment to become familiar with its feel and function.
- Always be aware of your surroundings and ensure that you are in a safe location to shoot.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the MOSSBERG Trigger, please refer to the manufacturer's contact information provided in the product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your MOSSBERG Trigger. Always prioritize safety and be responsible when handling firearms. Thank you for choosing our product.
