

RUGER TRIGGERS W/Tang Safety (Pull weight adjustable 1.5-4lb) - RUGER AMERICAN CENTERFIRE ****3lb****

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The Timney 3 lb trigger for the Ruger American CF is a process-reliable upgrade solution for users who demand a repeatable trigger feel and dependable long-term performance. Factory-calibrated to 3 lb, the single-stage mechanism delivers a clearly defined break with minimal creep; the integrated fine adjustment allows precise tuning to match, training, or hunting requirements. Design and material selection follow industrial quality standards: hardened precision components, polished engagement surfaces, and low-wear finishes ensure consistent settings and minimal maintenance. Drop-in compatibility reduces installation time and eliminates the need for platform rework, keeping service and workshop processes efficient. An ergonomic trigger shoe supports consistent finger placement, while documented test protocols and adjustment instructions ensure traceability across sales and after-sales processes. For retailers, this means lower return rates and standardized consultation points; for end users, it results in an immediately noticeable improvement in shot control, increased point-of-impact stability, and a durable, low-maintenance component suitable for both competition and practical applications.

RUGER TRIGGERS W/Tang Safety Safety Instruction Guide

Introduction

Thank you for choosing the RUGER TRIGGERS W/Tang Safety (Pull weight adjustable 1.54lb) for your RUGER AMERICAN CENTERFIRE. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this manual thoroughly before installation and usage.

General Safety Guidelines

- Ensure the trigger is installed by a qualified gunsmith or individual with appropriate experience.
- Always treat firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and its components securely to prevent unauthorized access, especially from children.
- Regularly check the trigger mechanism for wear and proper function.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended pull weight of 4 lbs to ensure safe operation.
- Avoid using the trigger in wet or humid conditions to prevent corrosion.
- Do not modify the trigger mechanism beyond the specified adjustments.
- Ensure that the firearm is unloaded before performing any maintenance or adjustments to the trigger.
- Use appropriate eye and ear protection when handling firearms.
- Always verify the trigger's function in a safe environment before using the firearm in the field.

Instructions for Installation and Usage

Installation

1. Preparation

- Ensure you have the necessary tools: screwdrivers, wrenches, and any other required equipment.
- Work in a clean, welllit area.

2. Remove the Existing Trigger

- Unload the firearm completely.
- Follow the manufacturer's instructions for removing the existing trigger assembly.

3. Install the New Trigger

- Align the new RUGER trigger with the existing mounting points.
- Secure the trigger in place using the provided screws, ensuring they are tightened to the manufacturer's specifications.

4. Adjust the Pull Weight

- Use the integrated fine adjustment feature to set the pull weight between 1.54 lbs as per your preference.
- Test the trigger in a safe environment to ensure it functions correctly.

Usage

- Always check the trigger's function before each use.
- Regularly inspect the trigger for any signs of wear or damage.
- Follow safe handling practices when operating the firearm.

Disposal Instructions

- Dispose of the trigger in accordance with local regulations regarding electronic and mechanical waste.
- If the trigger is deemed unsafe or defective, contact your local waste disposal authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please reach out to your retailer or manufacturer's support team. Ensure you have your product details ready for efficient assistance.

By following these guidelines, you can ensure the safe and effective use of your RUGER TRIGGERS W/Tang Safety. Your safety and the safety of others depend on your responsible handling and maintenance of this product. Thank you for your attention to these important safety instructions.
