# RUGER TRIGGERS W/Tang Safety Safety Instruction Guide

## Introduction

Thank you for choosing the RUGER TRIGGERS W/Tang Safety. This guide is designed to ensure your safety and the proper use of this product. Please read all instructions carefully before installation and use.

## General Safety Guidelines

- Ensure that the trigger is compatible with your firearm model. This trigger is not compatible with the Ruger American® Gen II rifles equipped with a three-position safety.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep firearms and ammunition out of reach of children and unauthorized users.
- Always follow the manufacturer's instructions for your specific firearm model.
- Use appropriate protective gear, including eye and ear protection, when handling firearms.
- Regularly inspect your firearm and trigger for any signs of wear or damage.

## Specific Safety Precautions for Use

- **Risk of Accidental Discharge:** Ensure the firearm is pointed in a safe direction at all times when handling.
- **Adjustments:** Only adjust the pull weight when the firearm is in a secure, unloaded state. Follow the manufacturer's instructions for making adjustments.
- **Sear Engagement:** Ensure that the sear engagement is properly set to avoid misfires or unintentional discharges.
- **Two-Position Safety:** Familiarize yourself with the two-position safety mechanism to ensure reliable operation before using the firearm.
- **Installation:** If you are unsure about the installation process, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including screwdrivers and any specific tools recommended by the manufacturer.

### 2. Installation:

- Remove the existing trigger according to your firearm's manual.
- Install the RUGER TRIGGER by following these steps:
  - Align the trigger with the trigger housing.
  - Secure the trigger in place using the screws provided.
  - Ensure that all screws are tightened to the manufacturer's specifications.
- Adjust the pull weight to your preference (between 1.5 and 4 lbs) using the adjustment screw.

### 3. Testing:

- After installation, perform a function check to ensure the trigger operates correctly.
- Ensure the safety mechanism functions properly before using the firearm.

### 4. Usage:

- Always keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a clear and safe shooting area.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of this product in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety concerns, please refer to the manufacturer's website or customer service. Ensure you have the product details ready for efficient support.

## **Conclusion**

Your safety and the safe operation of your firearm are paramount. By following these guidelines and instructions, you can help ensure a secure and enjoyable shooting experience with your RUGER TRIGGERS W/Tang Safety. Always stay informed about the latest safety practices and product recalls by checking the EU's Safety Gate platform. Thank you for your attention to these important safety instructions.
