

RUGER TRIGGERS W/Tang Safety (Pull weight adjustable 1.5-4lb) - RUGER AMERICAN CENTERFIRE, STRAIGHT (GEN 2) **3lb**

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The Timney Ruger American® Gen II Trigger is a premium, self-contained trigger assembly engineered specifically for Ruger American Gen II centerfire rifles equipped with a three-position safety. Designed for seamless compatibility, this trigger reuses the factory safety components that allow the bolt to be locked via the three-position safety system.

Factory-set at a crisp 3 lb pull weight, the trigger is fully adjustable from 2 to 4 lbs, allowing shooters to fine-tune the feel to their exact preference. Precision machining and high-quality materials ensure a smooth, consistent, and reliable trigger pull that enhances overall shooting accuracy. Installation is straightforward and requires no gunsmithing.

Compatibility:

Compatible with all Ruger American® Gen II centerfire rifles featuring a three-position safety.

Key Features:

- Three-position safety compatibility
- Adjustable pull weight from 2 to 4 lbs
- Factory set at 3 lbs
- Smooth, crisp trigger break
- Easy drop-in installation, no gunsmith required
- Precision-machined from premium materials

Safety Instruction Guide for RUGER TRIGGERS W/Tang Safety

Introduction

Thank you for choosing the RUGER TRIGGERS W/Tang Safety (Pull weight adjustable 1.54lb) for your Ruger American Centerfire, Straight (Gen 2). This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that this product is installed and used in accordance with the manufacturer's instructions.
- Always treat firearms as if they are loaded. Never point a firearm at anything you do not intend to shoot.
- Keep firearms out of the reach of children and unauthorized users.
- Regularly check for any signs of wear or damage on the trigger assembly.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling firearms.
- Do not modify the trigger assembly in any way other than as specified in the manufacturer's instructions.
- Ensure that the firearm is unloaded before installing or adjusting the trigger.
- Be aware of your surroundings and ensure a safe environment when testing the trigger pull.
- Do not exceed the adjustable pull weight limits specified by the manufacturer.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather necessary tools, including a screwdriver and any other tools specified in the product manual.

2. Remove the Existing Trigger:

- Follow the manufacturer's instructions to safely remove the existing trigger assembly from your Ruger American Gen II rifle.

3. Install the New Trigger:

- Align the new Timney Ruger American® Gen II Trigger with the existing mounting points.
- Secure the trigger assembly in place using the screws provided.

4. Adjust the Pull Weight:

- The trigger is factoryset at 3 lbs. To adjust the pull weight, follow the instructions provided in the product manual.
- Make adjustments gradually and test the trigger pull to ensure it meets your preference.

5. Final Checks:

- Ensure all screws are tightened to the manufacturer's specifications.
- Test the trigger in a safe environment to confirm proper function.

Usage Instructions

- After installation, practice safe handling and shooting techniques.
- Regularly check the trigger pull weight and make adjustments as needed.
- If you experience any issues, consult the product manual or seek assistance from a qualified gunsmith.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the trigger assembly is no longer in use, please follow local laws and regulations for the disposal of firearm components. Do not dispose of in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the RUGER TRIGGERS W/Tang Safety, please refer to the manufacturer's contact information provided with the product. Ensure you have the product details ready when seeking assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible handling and use of your Ruger American Gen II rifle and its components.
