

# RUGER 1022 Trigger Complete Assembly (Pull weight 2 3/4lb NOT adjustable) - RUGER 1022 BLACK HOUSING, GREEN SHOE

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Compatible with Ruger 10/22® rifle models (see table under images) and the Magnum Research MLR 1722, this complete trigger system features a black housing, a long magazine release, and a gold-colored trigger shoe. The trigger pull weight is factory set at 2.75 lbs (1,248 g) and is fixed, meaning it is not adjustable.

Manufactured by Timney Triggers USA under product code 1022-4C, this trigger assembly is designed for reliable, out-of-the-box performance. In most cases, no fitting or modification is required; however, professional installation is recommended to ensure proper function and safety.

Important: The trigger pull weight is factory set and not adjustable.

# RUGER 1022 Trigger Complete Assembly Safety Instructions

## Introduction

Thank you for purchasing the RUGER 1022 Trigger Complete Assembly. This product is designed to enhance the performance of your Ruger 10/22® rifle models and the Magnum Research MLR 1722. It is important to follow these safety instructions to ensure safe and effective use of the trigger assembly.

## General Safety Guidelines

- Always handle firearms with care and treat them as if they are loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition securely and out of reach of children.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect your firearm for any signs of wear or malfunction.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- The trigger pull weight is factory set at 2.75 lbs (1,248 g) and is not adjustable. Ensure you are comfortable with this pull weight before using the firearm.
- Only use this trigger assembly with compatible Ruger 10/22® rifle models and the Magnum Research MLR 1722.
- Professional installation is recommended to ensure proper function and safety.
- Do not attempt to modify or adjust the trigger assembly, as this may compromise safety and performance.
- Always perform a function check after installation to confirm that the trigger operates correctly.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger assembly from the rifle according to the manufacturer's instructions.
- Install the RUGER 1022 Trigger Complete Assembly by reversing the removal process.
- Ensure all components are securely fastened and properly aligned.

### 2. Usage:

- Before each use, verify that the firearm is unloaded and free from obstructions.
- When ready to shoot, assume a proper shooting stance and grip.
- Gently squeeze the trigger to fire, maintaining control of the firearm.
- After firing, ensure the firearm is pointed in a safe direction until you are ready to take further action.

## Disposal Instructions

- Dispose of the trigger assembly in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or performance of the RUGER 1022 Trigger Complete Assembly, please refer to the manufacturer's contact information or consult a qualified firearms professional.

## **Important Note**

This product is designed for use in accordance with the EU General Product Safety Regulation (GPSR). Always remain vigilant and proactive about safety when handling firearms. Report any unsafe products or accidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.
