

SAVAGE TRIGGERS (Pull weight 1.5-4lb All adjustments must be done on intended action) - SAVAGE 110, BLACK (Models 10, 11, 12, 16, 110, 111, 112, 114, 116 & 210)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Timney is the market leader in replacement triggers for Savage rifles. This precision trigger is designed to enhance accuracy and shooting consistency while offering extensive adjustability and easy installation.

The trigger is fully adjustable for pull weight, sear engagement (creep), and overtravel, allowing shooters to fine-tune the trigger to their exact preferences. Pull weight is adjustable from 1.5 to 4 lbs (0.68-1.81 kg), delivering a clean, crisp break and improved control. No gunsmithing is required, making installation quick and straightforward.

NO IMAGE
AVAILABLE

Adjustment of the pull weight is accomplished using a 5/64" hex wrench, while sear engagement and overtravel are adjusted with a .050" hex wrench, ensuring precise and repeatable settings.

Compatibility:

Fits Savage 110 series rifles, including models 10, 11, 12, 16, 110, 111, 112, 114, 116, and 210, as well as the Stevens 200.

Safety Instruction Guide for SAVAGE TRIGGERS

Introduction

Thank you for choosing the SAVAGE TRIGGERS. This precision trigger is designed to improve the accuracy and consistency of your shooting experience. To ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the trigger is installed correctly before using the firearm.
- Only use the trigger with compatible Savage 110 series rifles and Stevens 200.
- Keep the trigger and firearm out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage.
- If you experience any issues with the trigger, cease use immediately and seek professional assistance.

Specific Safety Precautions for Use

- **Pull Weight Adjustment:** The pull weight is adjustable from 1.5 to 4 lbs (0.68–1.81 kg). Ensure that you adjust the pull weight according to your shooting preference, and always check the adjustment before use.
- **Sear Engagement and Overtravel:** Adjustments for sear engagement and overtravel should be made carefully. Improper adjustments can lead to unsafe conditions.
- **Gunsmithing:** No gunsmithing is required for installation; however, if you are unsure about the installation process, consult a professional gunsmith.
- **Testing:** After installation, conduct a function test in a safe environment to ensure proper operation.

Instructions for Installation and Usage

1. Tools Required:

- 5/64" hex wrench for pull weight adjustment.
- .050" hex wrench for sear engagement and overtravel adjustments.

2. Installation Steps:

- Unload your firearm and ensure it is pointed in a safe direction.
- Remove the existing trigger from your Savage rifle as per the manufacturer's instructions.
- Install the SAVAGE TRIGGERS in accordance with the provided installation manual.
- Use the 5/64" hex wrench to adjust the pull weight to your desired setting.
- Use the .050" hex wrench to adjust the sear engagement and overtravel as needed.
- Ensure all screws are tightened securely before reassembling your firearm.

3. PostInstallation:

- After installation, conduct a safety check to verify that the trigger operates correctly.
- Test the trigger in a controlled environment to ensure it meets your preferences.

Disposal Instructions

- Dispose of the SAVAGE TRIGGERS in accordance with local regulations.
- If the product is damaged or no longer usable, do not discard it in regular waste. Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the SAVAGE TRIGGERS, please refer to the manufacturer's official website or customer service for assistance. Remember to check for updates on product recalls or safety notices through the EU's Safety Gate platform.

By following these guidelines, you can help ensure a safe and enjoyable shooting experience with your SAVAGE TRIGGERS. Always prioritize safety and responsibility when handling firearms and associated equipment.
