

SIG SAUER - SIG MPX SINGLE STAGE CURVED TRIGGER ****4.5lb****

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Timney is the market leader in replacement rifle triggers for SIG platforms. This complete, drop-in trigger assembly is designed for easy installation and reliable performance, using the rifle's original hammer and trigger pins as well as the factory safety.

The trigger is factory tuned to a crisp 4.5 lb pull weight with zero creep, delivering a clean and consistent single-stage trigger pull that enhances accuracy and control. Available with either a curved or straight trigger shoe, it allows shooters to choose the feel that best suits their preference.

Ready for the range right out of the box, this trigger requires no adjustments and no additional parts for installation. With its smooth, precise break and straightforward drop-in design, it offers an immediate performance upgrade without the need for a gunsmith.

Safety Instruction Guide for SIG SAUER SIG MPX SINGLE STAGE CURVED TRIGGER 4.5lb

Introduction

Thank you for choosing the SIG SAUER SIG MPX SINGLE STAGE CURVED TRIGGER. This guide provides important safety information and instructions to ensure safe and effective use of your new trigger. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the trigger is compatible with your SIG platform.
- Always handle firearms safely and responsibly.
- Keep the trigger and all firearms out of the reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage.
- Always follow local laws and regulations regarding firearm modifications and safety.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use may result in accidental discharge, injury, or damage.
- **Avoiding Hazards:**
 - Ensure the firearm is unloaded before installation.
 - Do not modify the trigger or firearm in ways not specified in this guide.
 - Use only factoryapproved parts and accessories.
 - Be aware of your surroundings when handling firearms to prevent accidents.
- **AgeSpecific Warnings:** This product is intended for use by individuals who are legally permitted to handle firearms. Keep it away from minors.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools for installation (e.g., screwdriver, punch).
- Read all instructions before beginning the installation process.

2. Installation Steps:

- Make sure the firearm is unloaded and pointed in a safe direction.
- Remove the original trigger assembly according to the firearm's manual.
- Insert the new SIG SAUER SIG MPX SINGLE STAGE CURVED TRIGGER into the trigger housing.
- Align the original hammer and trigger pins with the new trigger assembly.
- Secure the assembly by reattaching any necessary components as per the firearm's manual.
- Perform a function check to ensure proper operation before using the firearm.

3. Usage:

- Familiarize yourself with the trigger's pull weight and feel before using it in a live scenario.
- Always maintain proper trigger discipline and follow safe firearm handling practices.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the trigger becomes damaged or is no longer usable, dispose of it in a manner that prevents

unauthorized use.

Contact Information for Further Support

For any inquiries or safety concerns related to the SIG SAUER SIG MPX SINGLE STAGE CURVED TRIGGER, please refer to the manufacturer's contact information provided with the product.

Conclusion

By following these safety guidelines and instructions, you can ensure safe and effective use of your SIG SAUER SIG MPX SINGLE STAGE CURVED TRIGGER. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important safety measures.
