

Tikka T3 (Pull Weight adjustable 1.5-3.5lb) - TIKKA T3 2 STAGE **8oz+1lb**

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Hand-honed and precisely fitted to deliver an exceptionally crisp, clean trigger pull, this trigger is fully adjustable for pull weight, sear engagement (creep), and overtravel. Pull weight can be adjusted from 1.5 to 4 lbs, with locking nuts ensuring all settings remain securely in place.

The Featherweight (FW) version offers the same hand fitting and full adjustability as the Deluxe model but is designed without a safety, making it ideal for applications where a streamlined trigger configuration is preferred.

Tikka T3 Trigger Safety Instruction Guide

Introduction

Thank you for choosing the Tikka T3 Trigger. This guide provides important safety information and instructions to ensure the safe and effective use of your trigger. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Always treat the trigger as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the trigger and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage.
- Follow all local laws and regulations regarding firearms and accessories.

Specific Safety Precautions for Use

- **Adjusting Pull Weight:** The pull weight of the Tikka T3 Trigger can be adjusted between 1.5 to 4 lbs. Ensure that the locking nuts are securely tightened after making adjustments to avoid unintended changes.
- **Sear Engagement:** Adjustments to sear engagement (creep) should be made with care. Improper adjustments may lead to an unsafe trigger pull.
- **Overtravel:** Ensure that overtravel is set correctly to prevent accidental discharges.
- **No Safety Feature:** The Featherweight version of this trigger does not include a safety feature. Use this model only in applications where a streamlined trigger configuration is appropriate and safe.
- **Compatibility:** Ensure that the Tikka T3 Trigger is compatible with your firearm model before installation.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools for installation, including screwdrivers and wrenches.

2. Installation:

- Remove the existing trigger from your firearm according to the manufacturer's instructions.
- Install the Tikka T3 Trigger by following the specific installation instructions provided with the product.
- Adjust the pull weight, sear engagement, and overtravel as desired, ensuring all settings are locked in place.

3. Testing:

- After installation, conduct a function test in a safe environment. This includes verifying that the trigger operates as intended and that all adjustments are secure.
- Do not test the trigger in a livefire situation until you are confident in its operation.

4. Regular Maintenance:

- Periodically check the trigger for proper function and secure adjustments.

- Clean the trigger according to the manufacturer's recommendations to ensure optimal performance.

Disposal Instructions

- Dispose of the Tikka T3 Trigger in accordance with local regulations regarding electronic and mechanical waste.
- If the trigger is damaged or no longer in use, ensure it is rendered inoperable before disposal to prevent unauthorized use.

Contact Information for Further Support

For questions or concerns regarding the Tikka T3 Trigger, please refer to the manufacturer's contact information available on their official website or product packaging.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of your Tikka T3 Trigger. Always prioritize safety and remain informed about the proper handling of firearms and accessories. Thank you for your attention to these important safety measures.
