WINCHESTER 70 TRIGGERS Safety Instruction Guide

Introduction

Thank you for choosing the WINCHESTER 70 TRIGGERS. This guide provides essential safety information and instructions to ensure the safe use and installation of your trigger. Please read this guide carefully before use to maximize safety and performance.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or adjusting the trigger.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Use the trigger only with compatible firearms as specified in the product description.
- Store the trigger and any associated tools in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage. Do not use if any issues are present.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Pull Weight Adjustment:** The trigger is adjustable between 1.5 to 4 lbs. Ensure that the pull weight is set according to your preference and comfort level.
- **Sear Engagement and Overtravel:** Adjustments for sear engagement and overtravel must be made carefully to avoid accidental discharge.
- **Locking Nuts:** Always ensure that the locking nuts are securely tightened after adjustments to maintain the desired settings.
- **Compatibility:** This trigger is designed for Winchester Model 70 (Pre64 and Post64) and Model 70 MOA. Do not attempt to use with other models unless specified.
- **Gunsmith Fitting:** Model 54 rifles require gunsmith fitting for proper installation. Consult a qualified gunsmith for assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to the manufacturer's instructions.
- Install the WINCHESTER 70 TRIGGERS following the provided guidelines. Ensure all components are securely in place.
- Adjust the pull weight, sear engagement, and overtravel settings as needed.
- Use locking nuts to secure all adjustments.

2. Usage:

- Before firing, conduct a function check to ensure the trigger operates correctly.
- Familiarize yourself with the trigger's characteristics before using it in a live firing situation.
- Always wear appropriate eye and ear protection when using firearms.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the trigger is damaged or no longer in use, consult local regulations for proper disposal methods. Do not dispose of in regular household waste if it poses a safety risk.
