

LSS Gen3 Buttstock - MDT Buttstock - LSS Gen3 - Traditional Buttstock - FDE MDT

The STS (Skeleton Traditional Stock) Buttstock brings classic rifle ergonomics to one of the most modular precision rifle chassis systems available: the LSS GEN3 Chassis System. Designed for shooters who demand the accuracy and adaptability of a chassis while preferring the familiar feel and handling of a traditional stock, the STS bridges both worlds seamlessly.

It delivers consistent comfort in real-world conditions without sacrificing adjustability or structural rigidity. You get the repeatable precision and fine-tuning of a chassis combined with the natural control and ergonomics of a classic stock.

Slippery stocks cost accuracy. That's why the STS features an overmolded rubber grip with a natural, comfortable angle—giving your hand a secure, confident hold. Rain, sweat, mud—no matter the conditions, you stay locked in and on target.

LSS Gen3 Buttstock Safety Instruction Guide

Introduction

Thank you for choosing the LSS Gen3 Buttstock. This product is designed to enhance your shooting experience by combining the advantages of a traditional stock with the modularity of a precision rifle chassis system. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Ensure that the buttstock is securely attached to the rifle before use.
- Regularly inspect the buttstock for any signs of wear or damage.
- Do not modify the buttstock in any way that could compromise its integrity.
- Store the buttstock and firearm in a secure location, out of reach of children.
- Always follow local laws and regulations regarding firearm usage and storage.

Specific Safety Precautions for Use

- Ensure that the grip is dry and clean to maintain a secure hold.
- Avoid using the buttstock in extreme weather conditions without proper precautions.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use appropriate eye and ear protection while shooting.
- If you experience any discomfort while using the buttstock, stop using it immediately and consult a professional.

Instructions for Installation and Usage

1. Installation

- Ensure your firearm is unloaded before beginning installation.
- Align the buttstock with the receiver of the firearm.
- Secure the buttstock using the appropriate screws or attachments provided.
- Check that the buttstock is firmly attached and does not move.

2. Usage

- Adjust the buttstock to your preferred length and angle for optimal comfort.
- Practice holding the firearm with the buttstock to become familiar with its feel and handling.
- Regularly check the adjustment mechanisms to ensure they remain secure during use.

Disposal Instructions

- Dispose of the buttstock in accordance with local regulations.
- If the buttstock is damaged beyond use, contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the LSS Gen3 Buttstock, please refer to the contact information provided on the packaging or the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the LSS Gen3

Buttstock!
