Safety Instruction Guide for Adapters for Universal Interface Mount Mounting Plate, Offset, for Aimpoint Acro

Introduction

Thank you for choosing the Adapters for Universal Interface Mount Mounting Plate, offset, for Aimpoint Acro. This guide provides important safety information and instructions for the proper use and installation of this product. Please read this document carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always inspect the mounting plate and accessories for any damage before installation.
- Do not use the product if any components are damaged or missing.
- Keep the mounting plate out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Installation Surface:** Ensure the surface where the mounting plate is installed is stable, clean, and free from debris.
- **Weight Limit:** Do not exceed the recommended weight limit for the optics being mounted.
- **Secure Fastening:** Use the provided Torx fastening screws to ensure a secure installation; loose fittings can lead to accidents.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions that may affect its integrity.
- **Optics Compatibility:** Only use optics that are compatible with the universal interface to prevent accidents or damage.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the provided Torx screws and a Torx screwdriver.
- Ensure that the installation area is welllit and free from distractions.

2. Installation Steps:

- Identify the mounting location on your firearm or equipment.
- Align the mounting plate with the universal interface, ensuring it is centered or in the desired 20degree lateral offset position.
- Secure the mounting plate by inserting the Torx screws into the designated holes.
- Tighten each screw carefully, ensuring that the mounting plate is firmly attached without overtightening.

3. PostInstallation Check:

- After installation, check that the mounting plate is securely fastened and that there is no movement.
- Mount the Aimpoint Acro or Armadot optics according to their specific installation instructions.

- Perform a safety check to ensure all components are functioning correctly before use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For further assistance or inquiries about the product, please reach out to the manufacturer's customer support. Ensure you have your product details ready for efficient service.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your Adapters for Universal Interface Mount Mounting Plate, offset, for Aimpoint Acro safely and effectively.
