Safety Instruction Guide for Adapters for Universal Interface Mount Mounting Plate, Offset, for Trijicon RMR

Introduction

Thank you for choosing the Adapters for Universal Interface Mount Mounting Plate, offset, for Trijicon RMR. This product is designed to provide a secure and reliable mounting solution for Aimpoint Acro or Armadot optics. To ensure your safety and optimal use of this product, please read and follow the guidelines outlined in this safety instruction guide.

General Safety Guidelines

- Ensure that the mounting plate is compatible with your specific optic model before installation.
- Always inspect the product for any visible damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in the product description.
- Report any unsafe conditions or product defects to the appropriate authorities.

Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and pointed in a safe direction.
- Wear appropriate safety gear, including eye protection, during installation.
- Do not exceed the manufacturer's recommended torque specifications when tightening screws.
- Regularly check the mounting plate and screws for tightness and integrity before use.
- Avoid using the product in extreme temperatures or adverse weather conditions that may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a Torx screwdriver.
- Ensure that you have a clean, welllit workspace.

2. Installation Steps:

- Remove any existing mounting hardware from your firearm.
- Align the mounting plate with the mounting interface on your firearm.
- Insert the provided Torx screws through the mounting plate holes and into the firearm.
- Tighten the screws securely, ensuring not to overtorque.

3. Optic Installation:

- Follow the manufacturer's instructions for mounting your Aimpoint Acro or Armadot optic onto the plate.
- Ensure the optic is securely fastened and properly aligned.

4. Final Checks:

- Inspect the installation to ensure everything is secure.
- Perform a function check of the firearm to ensure proper operation.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any inquiries regarding safety concerns or product information, please consult the manufacturer or your local retailer. Ensure you have the product details available for reference.

By following these safety guidelines and instructions, you can ensure the safe and effective use of the Adapters for Universal Interface Mount Mounting Plate, offset, for Trijicon RMR. Thank you for your attention to safety.
