Safety Instructions for Adapters for Universal Interface Mount Mounting Plate, Center, for Trijicon RMR

Introduction

Thank you for choosing the Adapters for Universal Interface Mount Mounting Plate, Center, for Trijicon RMR. This product is designed to provide a secure and reliable mounting solution for Aimpoint Acro or Armadot optics. To ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the mounting plate by following all instructions and guidelines provided. This product is compliant with the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** Be aware of standardized recall notices. Stay informed about any potential recalls or safety issues related to this product.
- **Online Shopping:** If purchased online, ensure that the seller meets all safety requirements. Verify that the product is genuine and compliant with EU safety standards.
- **Special Consumer Focus:** Extra precautions should be taken when this product is used by or around vulnerable groups, including children.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information, which is provided on the packaging or the product documentation.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always inspect the mounting plate and all components before use. Do not use the product if there are signs of damage or wear.
- Ensure that the mounting plate is compatible with your optics before installation.
- Follow the installation instructions carefully to avoid improper installation, which could lead to accidents or equipment failure.
- Use only the Torx fastening screws provided in the package for installation. Using other screws may compromise the safety and functionality of the mount.
- Do not exceed the recommended torque specifications when fastening screws, as this may damage the product.
- Keep the product out of reach of children and ensure that it is installed and used only by individuals who are familiar with firearm optics and mounting systems.
- If you experience any issues with the product, discontinue use immediately and consult the manufacturer for support.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a Torx screwdriver.
- Ensure that you have a clean, dry workspace to perform the installation.

2. Installation:

- Align the mounting plate with the optic's interface according to the manufacturer's specifications.

- Secure the mounting plate using the Torx fastening screws provided. Ensure that each screw is tightened evenly.
- For the 20degree lateral offset setup, refer to the specific instructions included in the package to ensure proper alignment and installation.
- Verify that the mounting plate is securely attached before proceeding to use the optics.

3. **Usage:**

- Once installed, check the stability of the optics mounted on the plate.
- Regularly inspect the mount and optics for any signs of loosening or damage during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste. Check for recycling programs in your area that accept electronic components.

Contact Information for Further Support

For any inquiries regarding the safe use, installation, or disposal of the Adapters for Universal Interface Mount Mounting Plate, Center, for Trijicon RMR, please refer to the manufacturer's contact details provided on the product packaging or documentation.
