Safety Instruction Guide for Adapters for Universal Interface Docter Mount

Introduction

Thank you for choosing the Adapters for Universal Interface Docter Mount. This product is designed to enhance your shooting experience by allowing you to mount a Docter red dot sight directly onto your ERA TAC riflescope mount. This guide provides essential safety instructions to ensure the safe use and installation of this product in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used in accordance with the instructions provided.
- Regularly inspect the adapter for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product incidents or accidents to the relevant authorities.
- Stay updated on recall information through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the weight limit of the adapter as specified by the manufacturer.
- Ensure that the adapter is securely mounted before using the riflescope.
- Avoid using the product in extreme weather conditions without proper precautions.
- Be aware of your surroundings and ensure that the area is clear of obstacles while aiming.
- Use appropriate eye protection when handling firearms.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation, including a screwdriver.
- Ensure the working area is clean and welllit.

2. Installation Steps

- Remove the riflescope from your firearm if already mounted.
- Locate the mounting points on the riflescope and the adapter.
- Align the adapter with the mounting points on the riflescope.
- Securely fasten the adapter using the provided screws, ensuring a tight fit.
- Reattach the riflescope to your firearm, ensuring that the adapter is correctly positioned.

3. Usage Guidelines

- Before using the riflescope, check that the adapter is firmly attached and does not move.
- Adjust the red dot sight according to your shooting preferences.
- Practice target acquisition in a safe environment before engaging in live shooting.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Adapters for Universal Interface Docter Mount. Thank you for prioritizing safety and compliance.
