Safety Instruction Guide for Adapters for Universal Interface DOCTERSight Mount

Introduction

Thank you for choosing the Adapters for Universal Interface DOCTERSight Mount. This guide provides essential safety instructions to ensure the safe use and installation of your product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Always handle the product with care to avoid damage or injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about any recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The adapter is designed for mounting a Docter red dot sight on an ERA TAC riflescope mount. Ensure compatibility before installation.
- Use only the recommended tools and equipment for installation to avoid accidents.
- Avoid using the product in extreme weather conditions or environments that may cause damage.
- Do not modify the product in any way, as this may compromise safety and functionality.
- Ensure that the adapter is securely attached before using the sight to prevent accidents.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a screwdriver and any mounting hardware provided.
- Ensure that you are working in a clean and welllit area.

2. Installation Steps

- Locate the mounting point on your ERA TAC riflescope mount.
- Align the adapter with the mounting holes.
- Secure the adapter using the provided screws. Tighten them firmly, but do not overtighten to avoid damaging the product.
- Attach the Docter red dot sight to the adapter, ensuring it is properly aligned.
- Doublecheck all connections to ensure everything is secure.

3. Usage Instructions

- Once installed, familiarize yourself with the operation of the Docter red dot sight according to its user manual.
- Always check the alignment and functionality of the sight before use.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact the appropriate EUbased support service. Ensure you have the product details ready for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
